Sunday service—11 a. m.
Wednesday Meeting—8 p. m.
Sunday school—11 a. m.
"Christian Science" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 1.
The Golden Text (Hebrew 12: 12, 13) is: "Lift up the hands which hang down, and the feeble knees; and make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed."
Among the Bible citations is this passage (John 14:12): "Verily, Verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do, because I go unto my Father."
Corrective passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (147): "Our Master healed the sick, practiced Christian healing, and taught the generalities of its divine Principle to his students; but he left no definite rule for demonstrating this Principle of healing and preventing disease. This rule remained to be discovered in Christian Science."

To Music Camp

Burt Bronson

Birmingham's representative in the All-State High School band at the National Music Camp, Interlochen, will be Burt Bronson, son of Mr. and Mrs. K. L. Bronson, 843 Greenwood street.

Burt has played the tuba in the Baldwin High School band four years under Director Arnold W. Berndt and was picked for the Music Camp by Prof. Earl V. Moore, director of music at the University of Michigan and one of the directors at camp. The band section will be for two weeks, commencing on July 9.

Because Of Shortage Of Sugar Some Will Can With Substitutes

Because of the sugar shortage, it is indicated many Birmingham women will use sugar substitutes in their canning this year, or will change their canning systems to use less sugar.

It is said that more fruit can be canned by observing the rule of 1 lb. of sugar to 4 quarts of canned fruit than by using a heavy syrup in a few jars. A thin syrup is satisfactory and is made by using 1 cup of sugar to 3 or 4 cups of water. The present maximum allowance of 15 lbs. sugar per person should sweeten 60 quarts of fruit. That amounts to 350 generous servings, or 1½ servings a day for 8 months.

If the supply of fruit to be canned is larger than the sugar will handle, replace one-third of the sugar with corn syrup or one-half the sugar with honey. Molasses gives an unattractive color and flavor and may cause spoilage. Brown sugar also is unsuitable.

Although the ruling of a 5 lb. maximum for jams, jellies, and pickles is still in effect, some say it might be wise to use that amount for canning an extra 20 quarts instead of a few jars of jam.

Canned and frozen fruits keep with no sugar; but flavor, color and texture generally are better when some sugar is used.

WILL FLY A B-29

RANDOLPH FIELD—First Lt. William P. Hatherley, son of Mr. and Mrs. Cecil H. Hatherley, 988 Humphrey St., Birmingham, Mich., has arrived at Randolph Field to enter an AAF Training Command course as a member of a B-29 Superfortress air crew. Three-member crews of key B-29 personnel, commander, pilot and flight engineer, fly together in transition training here before they join others of their crew and go into action against Japan.

A SUMMER SERIES OF SERMONS

A. F. RUNKEL—preaching

JULY 1.—"You Are a Very Important Person."
JULY 8.—"Try to be a Finer Person."
JULY 15.—"On Overcoming Life's Tensions."
JULY 22.—"Facing the Future Unafraid."
JULY 29.—"If I Had Only One Sermon to Preach."

Christ clears the path of life from frustration and defeat. We can master life with the Master of men. These sermons are being presented as a means of helping to create effective Christian personality.
