THE Detroit Free Press last week referred to our manager, Mr. Mathews, as alert and keen eyed. He has always believed in using what the Creator gave him, especially, doing his own thinking.

In doing this he has annoyed some but finding good in everyone, he has, with humility and indifference gone ahead minding his own business and helping others, if asked.

He does get a lot of enjoyment out of life.

Always call us when you have something to sell.

Royal Oak High Wins Track Meet, 54 to 50

Royal Oak captured the annual dual track meet from Birmingham Tuesday afternoon at Pierce Field by the close count of 54 to 50. Each team had two grand slams and Royal Oak won the relay to provide the winning points.

Rayol Oak took all three places in the mile and half mile, much to the surprise of the Baldwin outfit. However, the locals came back in the jumps to turn the tables. Ties were recorded for top places in the 100-yard and 440-yard dashes.

This afternoon Birmingham plans to send its team to Ferndale for the League track meet, rained out last Friday.

The Monthly Salvage Collection Is On In Bloomfield Village

The Goodwill Industries is again making its monthly pickup of all salvage (except prepared cans, of course) in the Village. Those who do not have their things picked up by Friday noon, June 8, are asked to please phone the salvage chairman, Mrs. Henry G. Gassaway (phone 1693).

"Quite a few Villagers, now that they have been starting to save every bit of salvageable material, have found that a pickup once a month is not often enough," said the chairman. "If this is the situation in your house, please call Mrs. Gassaway and she will add your name to the list of pick-ups made twice a month.

"Remember, too, any time that you might need a special pickup, or more bags, you have only to call the salvage chairman and she will see to it that this is done.

Some Are Indifferent

"Some of our Villagers are still indifferent to our monthly salvage collections. Come on, folks—you are holding down our monthly average—join the rest of us and pitch in and make a really concerted effort to save magazines, newspapers, small scraps, cardboard, corrugated paper, old books, etc. It is such an easy thing to do! With the bags furnished through the courtesy of Goodwill, you do not even have to bother to sort or to tie any of your paper. Everything can be put right into these bags! What could be any easier?

"We must all remember, too, that when articles are shipped out to the Pacific they require twice as much paper as they required to be sent across to Europe.

Need Prepared Cans

"Our monthly collection of prepared cans will also take place again this week. Have your prepared cans at the curb before 8:30 a. m. on Saturday morning, June 9.

"Again, to accommodate the residents of the entire Bloomfield area who desire to do their bit, barrels will be placed at the corner of Cranbrook and Quarton—and also at the northeast corner of Lahser and West Maple—on Friday, June 8 and Saturday, June 9. Two days only! You may take your prepared cans to these barrels at any time on these two days—but only on these two days!
