BARRY WALL'S twenty-fourth point in the last quarter of the Hazel Park game broke a five year record held by Chuck Murray, former Maple star and now captain of the University of Michigan basketball team. Murray's record was 222 points, scored in the 15 games that make up the regular season, not including tournament play.

Going into the Hazel Park game with 199 points, Wall needed 24 to break the record and he tossed in 11 field goals and two free throws for exactly that total.

With three scheduled games still left in which to better his new record and an unknown number of tournament games after that, Wall needs only 51 points to break Murray's 1947 scoring record of 274 points. Wall has averaged 18.67 points per game this season.

IN ALL THE years that the two schools have played each other, a Birmingham basketball team has never beaten Port Huron twice in the same season. The rivalry between the two schools dates back to the founding of the Eastern Michigan league in 1946, except for one-a-season games in the early "30's.

MT. CLEMENS SEEMS to have a knack for developing exceptionally outstanding swimmers. The past few years the Bathers had John Flynn who was unbeatable in the league in the 50 and 100 yard freestyles. Now he has graduated but has a worthy successor in Sonny Buckholz, son of the Bather football coach. Though only a sophomore, Buckholz swam the 200 yard freestyle in 2:15 against Hamtramck last week.

JUST A WORD of thanks to Dan Lutkus, athletic director of Hazel Park High School for compiling a superb Eastern Michigan League handbook containing not only the history and constitution of the league but also League records in every sport and virtually everything of interest since the league's founding six years ago.

Crane Cage Squad Takes First League Win at Cleveland

Cranbrook's varsity basketball squad gained its first league victory Saturday night, 58-52 win over University of Cleveland school there.

The Cranes led 27-26 at half time and extended the match to 46-37 at the end of the third stanza. A scoring spree by U. S. in the final period, led by Doug Brady, fell just short of erasing the score.

Brady wound up with 34 points. Center Ed Godfrey led Cranbrook with 14 points followed by Chuck Cunningham with 12 and John Edison's 11.

The Cranes, possessing a three win-seven loss record, played here to Flint Tech Tuesday and will meet Nichols school of Buffalo in New York Saturday.

Baldwin Cagers Take 50-30 Win Over Hazel Park

By BILL AIKENS

With Maple center and forward Barry Wall smashing the existing season individual scoring record, Birmingham swept to its second easy victory within a week by outpolnting Hazel Park 50-30 on the Vikings' floor last Friday night.

The Maple win, coupled with Port Huron's 35-33 upset over Ferndale Friday night, moved Birmingham back into the running in a three-way tie for first place in the Eastern Michigan League. Port Huron, Birmingham, and Ferndale are deadlocked, with the Hurons scheduled to play at Birmingham Friday night.

OPENING FAST in the initial quarter, the Maples snatched an early lead when Wall, local scoring ace, hit four pivot shots in a row. Determined to make up their early deficit, the Vikings struck back, and at the end of the period Birmingham led 10-9.

In the second stanza the Maples put on a scoring splurge and lengthened the narrow gap to a considerable lead. At the half the Maroons were ahead by a cozy 15 points, and the Vikings never again managed to come close.

Wall was again high scorer with 24 points for the night, 19 of which he scored in the first half. This boosts his season total to 223 points, a new season scoring record.

With 12 games so far, Wall still has three in which he can up his mark. Together with the individual game record of 35 points which he set several weeks ago, Wall now has both individual scoring records.

Big Art Fairbanks, Maple forward, deserves credit for an assist. He picked 13 consecutive defensive rebounds off the banks.

Early last week Birmingham swamped Mt. Clemens 72-42 in a league game played here. Wall was high-point man with 24 markers for the locals.

Useful Project Started by Tri-A Club Pledges

By MARY RICHARDS

Pledging doesn't have to be nonsense. Prospective members of the Tri-A Club, instead of squandering hours counting linoleum squares in the library or polishing shoes, are being required to earn their merits by helping redecorate the Oakland County Children's home.

Pledges will devote their time to brightening walls, tables, and chairs with paint, making gay curtains and drapes, and collecting Best-off furnishings which can be rejuvenated for use in the children's home.

A MURAL PAINTED on the wall will highlight the room for pre-school children which the club plans to redecorate completely. In the dining room, the girls will restore the tables and chairs with fresh coats of paint; and in the small children's dormitory, they will refinish a rack for night clothing.

This project was recently started by a letter, directed by Gail Burlingame, charity chairman of Tri-A, to the parents of all pledges, asking them to donate unused furniture and equipment for the home. Each pledge will contribute several hours of work.

Because the children's home budget does not allow for labor of this kind, Tri-A members considered it a good opportunity to direct pledging to a constructive end in charity work.
