## "... I shall not want"

Regardless of what our teaching may have been, here we find common ground — the promise of the twenty-third Psalm has comforted us all.

Today through the new light steadily shed upon this and other beloved Scriptural passages by the Christian Science textbook

**SCIENCE and HEALTH**
*with Key to the Scriptures*
by Mary Baker Eddy

its promise brightens into practical fulfillment.

Supply, health — whatever is legitimately needful — is available to man without fail, and comes through the spiritual *understanding* of God, divine Love, which Christian Science brings.

That God is able and willing to care for man *now*, in every circumstance, is made plain and clear. Anyone, without exception, who thoughtfully studies Science and Health and puts the teachings of this great book to the test in his daily life will find the "still waters" of the Bible promise. Even more, he will find, and prove to his own satisfaction, that Christian Science is the long-promised Comforter.

Science and Health may be bought or read at

**Christian Science Reading Room**
355 East Maple

## Speaks On Korea

DR. ESSON GALE

Dr. Esson Gale will present the second in the series of lectures on the Far East tonight, Feb. 15, at Baldwin senior high school. His subject will be "Focus on Korea".

Dr. Gale has served as foreign service language and counselor officer in China, was commissioner of the Chinese Government salt revenue administration and has held numerous other Far East posts.

On Feb. 22, Dr. James I. Crump, instructor in Chinese at University of Michigan, will give the third lecture entitled, "Focus on China".

Dr. Crump was interpreter and translator in counter intelligence with the OSS during World War II.

### We Heard It Said By:

**MRS. J. ROWLAND QUINN,** UF chairman for the Birmingham area: "The people of Birmingham can see one way in which their United Foundation money is spent in the Veteran's building in Detroit. A recreation center has been developed there where servicemen and women may enjoy television, reading and comfort while waiting to be put through the Fort Wayne induction center. The opportunity to enjoy comfort in pleasant surroundings means a great deal to them during the long wait."

## Educators Attend Eastern Meetings; Show School Growth

For the third consecutive year, a social studies group from Birmingham public schools are attending the United Nations institute this week at Lake Success, N. Y., Feb. 13-15.

Dr. Dwight B. Ireland, school superintendent, was accompanied by Howard Love, Baldwin high school; George Miller, Barnum junior high school; Mrs. Alice McHugh, Quarton, and Mrs. Jane Ruthenberg, Pierce.

Ernest Seaholm, board of education president, vacationing in New York with Mrs. Seaholm and Board Member Mrs. Louis B. Sappington, visiting there with her husband, also are attending the three-day sessions.

**FACULTY MEMBERS** will return to Birmingham to set up a social studies program based on the material obtained there.

While in the east, Ireland will attend the American Association of School Administrators annual meeting in Atlantic City, Feb. 18-22.

He disclosed last week that a pictorial display of the Birmingham school expansion program will be shown there.
