DELTA QUALITY MAKES THE DIFFERENCE

Get Him a DELTA SHOP One Tool At a Time

A lifetime thrill for Dad. Start him off on his complete one-motor workshop—the Deltashop. Here's the add-a-tool formula you follow to buy him this combination of the most-wanted Delta Homecraft Tools:

● First, for Father's Day, the saw, motor and stand. Then at Christmas, add the jointer. You (or Dad) can add the drill press and sander when needed.

The Deltashop is a combination of genuine Delta Homecraft Tools—not a set of attachments.

Deltashop does 98% of the "do-it-yourself" operations and takes only a 3 foot square floor space . . . at last, the man's appliance! Pays for itself, over and over, with savings in home repairs, alterations and improvements.
