Birmingham Band Rated Superior

A superior rating was awarded the Birmingham high school band at the annual Southeastern Michigan band and orchestra festival at Ypsilanti Saturday.

The festival was held at Michigan state normal college. The band warmed up in the Roosevelt high school and then went to Pease auditorium where it played "Ever Ready March" by Goldman; "Richard III-Overture" by German, and "Symphony No. 1 in E flat" by Saint-Saens. The sight reading was in Roosevelt high school.

The first division was well earned by the band members and Arnold W. Berndt, director, who has put much time and effort into making this year's band another fine one to be added to the long list of accomplished Berndt bands.

MEMBERS OF J-Ad, a Birmingham Junior Achievement company, are shown talking with Bruce Mayer of the WWJ-TV studios in Detroit, during a tour of the building last week. They are: Barbara Sinclair, Norma Jean Sinclair, Mayer, Ted Donay and David Hughes. J-Ad members, in the advertising business, were studying the television station, with an eye to its relationship with advertising.

YMCA Enrollment Drive Nears Goal

With the Birmingham YMCA Membership Enrollment extended through March 5, General Chairman Arthur Blakeslee has every hope of exceeding the goal of 2000 members on the rolls.

Final reports of teams last Monday evening brought the tally to 1102 members in the enrollment effort to give Birmingham YMCA a total of 1902 boy, girl, men and women members.

This is the largest membership in the history of the local 'Y' and tribute is paid to William C. Gordon and his Committee of Management members for a job well done.

THE TEAM captained by Ernest Robinson won the mythical boat race from Detroit to Chicago and return by bringing in the greatest number of members and dollars.

Workers who brought in 25 or more members included William Roberts, John Slater, Lynn Russell, Ted Appel, Del Ingram, Warren Neville, Roland Erickson, Ernest Robinson, Arthur Blakeslee, and Wayne Mortimer.

Final figures of the boat race and the membership totals will be tallied after March 5 and reported in this paper.

Plan Formation Of Flying Saucer Club in Vicinity

Believing that flying saucers and other examples of unidentified flying objects are overdue for public consumption, an Arizona anthropologist and a Detroit business man have joined forces to spread knowledge about interplanetary spacecraft which have, so far, been without interpretive classification.

The two, George H. Williamson of Prescott, Ariz., and Henry Maday, have recently organized the Flying Saucer Council of America to bring all verifiable facts about spacecraft to the public. Mayday will be remembered for his appearance before the Birmingham Lions club last December.

At an 8 p.m. meeting in the Pontiac high school March 5, he will present the film, "We've Seen the Saucers!", first documentary film on the subject.

MILITARY PERSONNEL, in relating their experiences, attest to the fact that something from another world is appearing on earth and that mankind is undoubtedly at the brink of a great cosmic discovery.

Baird Wallace, electrical engineer, will speak briefly on some of the electronic and power aspects brought out in the film. Members of the Pontiac Ground Observers Corps will present testimony of sightings of unusual character.

Maday said the formation of a Birmingham-Pontiac club would be discussed after the program. He added that nearly 60 local residents have already expressed their desire for such a club through contacts with the Detroit Flying Saucer club.

LEGAL NOTICES

CITY OF BIRMINGHAM, MICHIGAN
NOTICE TO PROPERTY OWNERS
ALLEY PIERCE-14 MILE ROAD

The City Commission of the City of Birmingham will meet Monday, March 14, 1955, at 8:00 p.m. in the Commission Room in the Municipal Building to consider any objections to the construction of an alley west from Pierce Street, parallel to Fourteen Mile road, described herein and to the creation of a special assessment district created to defray the cost of construction of

A concrete pavement on the alley right of way extending west from Pierce Street a distance of 135.45 feet, serving lots 47 through 53, inclusive, of the resub. of Brighlawn Subdivision.

The Commission proposes to create a special assessment district to defray the cost of this construction and said special assessment district shall consist of the following described property:

Resub. of Brighlawn Subdivision

Lots 47 through 53, inclusive.

Plans and estimate of cost of this project are filed with the City Clerk of the City of Birmingham for examination by the public. Individual assessments are not now available. They will be computed by the assessor after March 14, 1955, if the necessity for this improvement is established by the Commission, and there will be another public hearing scheduled for the purpose of reviewing the assessments.

IRENE F. HANLEY,
City Clerk

March 3, 1955 (51-52)

CITY OF BIRMINGHAM, MICHIGAN
