

THE BURIAL OF THE DANE

Blue! All through the night... I must be a Danish sailor... I have stopped to listen to what was not intended for my ears.

HOW AGNES LOVED

And you, my dear Agnes, said the captain Marston... I have loved you ever since I was a child.

THE HERMIT OF MUGGINSVILLE WOOD

Tom went wandering away by himself over the first hills of the range...

FOR THE CHILDREN

THE BLIND BOY... I saw what was about to happen...
