Paper Drive Nets BHS Juniors $490

A check for $490 compensated for all the rope burns and sore muscles of the juniors as they ended their paper drive.

The project got off to a good start with a five-pound bundle of papers required as admission to Jan Lynch's street dance the evening of Field Day.

Later, juniors collected and stored paper in garages until a recent weekend when it was loaded into large vans secured by Gail Patrick.

Carl Reynolds, drive chairman, estimated that between 40 and 45 tons of paper were collected.
