he hit a hurdle two flights from the finish. Volk's time was :21.5. The Clawson hurdle also won the highs with a :15.9 clocking.

South Lake's Bill Gukenbach won both sprints, with Cranbrook's DeWitt second in both races.

Bloomfield Hills' Barrie Armstrong was third in the mile and Cranbrook's Chris Platou fourth. Platou ran in 4:59.

CRANE HALF-MILER Rick Williams won a close first heat in the 880. He edged Lake Shore's Dave Brooks in the final few feet. Williams' time was 2:09.6.

Dick Ford of Bloomfield Hills was second in the second 880 heat. Cranbrook's George Gallogly was third.

Clawson won the last event, the 880 relay, with Cranbrook second.

Clarenceville 9 Batters Barons

CLARENCEVILLE — Clarenceville came up with four runs in each of the third and fourth innings to romp over Bloomfield Hills, 9-3, here last Thursday afternoon.

Cliff Wellman was the winning pitcher. Bruce Withers, the loser, had a home run and a triple in two times at bat for the Barons.

Two Records Fall In Triangular Win

BLOOMFIELD — Just a point and a quarter separated the first two teams here May 14 in a triangular that saw two Bloomfield Hills school records broken.

The host Barons copped the victory, totaling 51½ points to 50¼ for Clarkston. Clarenceville had 35¼.

BARRIE ARMSTRONG broke his own mile record with a 4:51.4 clocking. Barrie Wickstrom set a new shotput standard of 42 feet 2 inches.

Six-Run Inning Upends Dearborn

DEARBORN — Cranbrook came up with six runs in the fourth inning for an 8-6 victory over Dearborn here last Thursday afternoon. Larry Demrick was the winning pitcher, striking out 12.

Three walks, two errors and three hits—two by Dave Walsh and one of them a triple—accounted for Cranbrook's big inning.

Wins at Buffalo

BUFFALO, N.Y. — Cranbrook pounded out 10 hits here Saturday morning for a 12-2 win over Nichols school. Three Crane pitchers—Bill Pollard, Andy Billesdon and Larry Demrick—worked, with Pollard getting the victory.

Maple JV Again Loop Track King

Birmingham high successfully defended its Eastern Michigan league reserve track championship Friday afternoon, topping the 7-school junior varsity field on the local track.

The Maples totaled 53½ points on three firsts, five seconds, four thirds, two fourths and three fifth places.

East Detroit was second with 43½ points, followed by Ferndale with 35 5/6. Fourth was Mount Clemens with 19¼ points, while Kimball had 19, Hazel Park 14 and Port Huron 10 1/3.

With just two events left, Birmingham led East Detroit by just 7/12 of a point. A Maple first, second and fifth in the half mile and a second in the 880-yard relay decided the meet.

ONLY ONE league reserve record fell. Dan Reid of Birmingham set a new mile standard of 5:01.4. Two other Maple runners, Gary Schack and John Emmerling, shared the old mark of 5:03.1, set in 1956.

The summary:

Shotput—First, King (F); second, Jones (ED); third, Kinney (B); fourth, Fortunato (ED); fifth, Caster (MC). Distance—41 feet 7½ inches.

The Eastern Michigan league is trying something new this spring — a double elimination baseball tournament for its seven members.

First games will be played Tuesday. Birmingham meets Kimball in its opener at the Royal Oak school's field. Second-round games are planned for next Thursday.

The championship contest and a consolation game will be staged June 3 under the lights at Royal Oak Memorial field. Woodward and Thirteen Mile. The first contest will begin at 6 p.m.

League officials, reports Frank Whitney, Birmingham athletic head, feel the tournament will give EML prep baseballers a little something extra, since weather often raises havoc with regular schedules.

Two defeats will eliminate any team from the tournament.

A triangular track meet has been added to Birmingham's schedule — this afternoon between the Maples, Waterford and Pontiac at Pontiac's Wisner field.

The three-way affair will be quite a bit different than most, though. The only ones competing will be tracksters who failed to qualify for the state finals.

Birmingham's YMCA softball league opens play Monday at St. James. Gay 90's meets Roth and Son builders at 6:30 p.m. Miners of Bloomfield Hills meets Roth in a Tuesday evening game at the same field. The fourth entry, Birmingham Collegians, won't begin play until June 12. By then most of the team's members will be home from school.

Lathrup opened its Little League season Monday with the David Anderson family starring all around.

Councilman David Anderson, replacing ailing Mayor Richard Cogger, threw the first ball.

Mrs. Anderson was official scorekeeper.

Young Dave Anderson pitched a no-hit game.

Birmingham is well represented on Western Michigan university's freshman track squad this spring.

Two former star Maple pole-vaulters, Tom Segal and Bill McFarlen, tied for a new indoor frosh vault record—13 feet 3 inches—during the indoor season and both are doing well this spring.

Segal, son of Mr. and Mrs. Irving Segal, 4725 Dover, Bloomfield township, is competing in the shotput as well as the pole vault. McFarlen, son of Mr. and Mrs. Joseph P. McFarlen, 1015 Lake Park, is picking up additional points in the shotput, discus and high hurdles. Both are 1957 Birmingham high graduates.

Mary Wilson, daughter of Mr. and Mrs. William S. Wilson, 1335 Latham, Birmingham, was one of five Ohio Wesleyan university coeds reigning as queens at last weekend's Ohio High School Athletic association central district track meet at Delaware.

Bloomfield Fifth In League Meet

MILFORD — Bloomfield Hills finished fifth in the Wayne-Oakland conference's league track meet here Tuesday night.

Milford won the affair with 47½ points. Clarkston totaled 35½, Holly 26½, Northville 25½, Bloomfield Hills 25, West Bloomfield 20½, Brighton 11 and Clarenceville 6½.

THE HILLS COPPED firsts in the 100-yard dash, mile and 880-yard relay. Ken Danziger won the century in :10.7, while Barrie Armstrong captured the mile in 4:48.5, a new Baron school record.

Problems

all three, but none has been hired yet. Allerton's salary is $9,500 a year, Mrs. Leach and Mrs. Adams get $7,000 each.

These are the same figures as for the old township, which has caused some raised eyebrows. But Allerton points out that the clerical help the three officials had all went with the city. Each job remains at least a 40-hour-a-week one, and must be paid for as a full-time post.

IT'S ALL a great disappointment to residents of Westwood, Franklin and Bingham Farms, the three villages that make up most of the township. They'd hoped that the smaller township would mean much less tax.

Allerton says maybe next year, but that it just can't be done now. There are too many hang-over problems from the larger operation as well as the irreducable township obligations of elections, assessments and tax collections.

named acting chairman until the vacancy left by the resignation of chairman Carl Stapleton can be filled. Stapleton has been transferred out of town.

Walchowski reported that 1958 paving plans would be sent out for bids to be opened on June 2. City clerk Jerald Stone said the city would be ready for a final public hearing on paving petitions about June 16. After that, he said, financing will probably go faster than last year and paving be finished earlier.

AT A special meeting Friday, council members approved Walchowski's proposed 1958-59 budget with the exception of an additional paid policeman and a cut in water rates. The council favored the addition of an extra officer, but felt that the city could not afford one at present.

A proposed cut of 10¢ per thousand cubic feet in the water rate was turned down because of a possible increase in the cost of water from Detroit, and to build a sound working capital basis for the water department.

Post Office Urges Better Mail Boxes

This is mail box improvement week, when post office patrons with rural boxes are asked to bring their boxes up to post office standard.

The post office asks that the boxes be located so that the mail carrier can easily and safely reach them, that they be big enough for the maximum amount of mail, nicely painted or metal and labeled with the patron's street address. Boxes should be 44 inches higher than the roadway.

Slate Diner Dance

SOUTHFIELD — St. Francis council, Knights of Columbus, of Southfield, will sponsor their first anniversary dinner dance May 24 at 7 p.m. at George F. Monoghan council in Detroit.

Township, Village Eyeing Space in 13 Mile Fire Hall

WESTWOOD—The township fire hall on 13 Mile road is the rope in a tug-of-war that seems certain to tear it in half.

On one end is Southfield township, owner of the hall, with plans to use it for township offices and a justice court.

On the other end, Westwood village needs a village hall, a place for its violations bureau and its safety department, including patrol car and fire truck.

Currently the hall, which is in Westwood, houses the Westwood safety department, a fire truck belonging to Southfield township and firemen employed by Southfield city. They'll leave when Westwood's safety department finishes fire school later this month, if Westwood can get the truck after the settlement between Southfield city and township. And if the township gets the hall in the settlement.

Westwood councilmen Monday pleaded their cause to council member Hugh Allerton, Jr., who is also township supervisor. Together they figured out that if the city firemen leave, their sleeping quarters could be divided, perhaps making room for all.

Bloomfield Homes Are Ransacked

BLOOMFIELD — Two homes were broken into and ransacked in Bloomfield township last weekend.

Norman Durocher, 2815 Eastways drive, reported to township police that carpeting and pad, a ceiling fan and two mirrors had been removed from the home sometime between last Wednesday and Sunday. The family had moved about four weeks ago.

Joseph A. Ruetty reported that his home at 4969 Ranch lane had been ransacked. The family returned from a trip Sunday to find entrance had been gained through a window. Apparently nothing was taken, Ruetty said, although jewelry was in plain sight.

ORDINANCE NO. 11

AN ORDINANCE TO PROVIDE FOR THE REGULATION, CONTROL, IMMUNIZATION AND LICENSING OF DOGS IN THE VILLAGE OF WESTWOOD, OAKLAND COUNTY, MICHIGAN, AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF.

The Village of Westwood Ordains:

Section 1.01. Short Title. This Ordinance shall be known and may be cited as the "Dog Ordinance".

Section 2.01. Licensing of Dogs. From and after the 5th day of June, A. D. 1958, it shall be unlawful for any person to own, possess or harbor any dog six months old or over in the Village of Westwood, unless said dog is licensed as hereinafter provided; or to own, harbor or possess any dog six months old or over that does not at all times wear a collar or harness with metal tag attached as hereinafter provided; or for any owner to allow his dog to stray beyond the premises of the owner unless under reasonable control of some person.

(a) Ownership: The word "Owner" when applied to the proprietorship of a dog shall include every person having a right of property in such dog, and every person who keeps or harbors such dog or has it in his care, and every person who permits such dog to remain in or about any premises occupied by him.

(b) Reasonable Control shall mean: Keeping a dog on suitable leash or under the oral control of the owner or custodian or other person with the permission of the owner or custodian in all cases other than private property unless the dog is confined in a closed automobile or shipping receptacle.

(c) Damages Incurred: Every owner of a dog shall be liable for damages for any and all injuries to person or property that may be caused by such dog on any public highway or other public place, to be determined and collected in appropriate legal proceedings, in which proceedings any failure or refusal by such owner to comply with the requirements of this Ordinance shall constitute prima facie evidence of negligence.

Section 3.01. Obtaining A License.

(a) Upon application filed with the Department of Public Safety giving the full name and residence of the applicant and upon payment of the license fee as hereinafter provided, the Department of Public Safety shall issue to each applicant a license to own or harbor a dog for the term commencing at the date of such license and terminating the first day of May following. Each application for a dog license shall be accompanied by an Oakland County Health approved certificate stating that said dog has been properly immunized against rabies during the previous six month. For each license the Department of Public Safety shall at the time and before issuing the same and for each renewal thereof, collect of each applicant a license fee of Three dollars ($3.00) for each dog, provided such application is made on or before March 1st. If said application is made after March 1st the same shall be accompanied by the regular license fee, and in addition, a penalty of One Dollar ($1.00) for each dog except as herein provided.

(b) Any person becoming the owner after the first day of March of any year hereafter of any dog six months old or over which has not already been licensed or any person owning a dog which becomes six months old after the 1st day of March in any year hereafter shall forthwith apply for and secure a license for such dog, which license shall issue without penalty in the event such application is made within thirty days after the applicant has acquired such dog or such dog has reached the age of six months; and in case a dog has been acquired or becomes six months old after the first day of October of any year, the license fee for such dog shall be one-half (½) of the amount fixed as one annual license fee for such dog; provided, that no owner of any dog for which a license has been secured prior to May 5, 1958 from another County, Township, City or Village in the State of Michigan, and which owner presents evidence of rabies vaccination within the past six months period, shall be required to secure any additional license under this ordinance for this year.

Section 4.01. License Tags. Upon the issuance of an individual dog license, the Department of Public Safety shall deliver to the applicant a metal tag of not less than one (1) inch in length or diameter which shall be dated and bear a serial number together with the words "License and Immunize, Westwood, Michigan", and such serial number shall be inscribed upon the license so issued. Such metal tag shall be attached to the dog for which it is issued by means of a substantial collar or harness and no person shall remove any license tag from any dog without the consent of the owner or of the person to whom the license is issued. No tag shall be used on the collar or harness of any other dog than that for which the tag was issued. If the metal license tag is lost, the Department of Public Safety may issue a duplicate if the owner of the dog for whom the tag was issued presents the certificate showing the dog was immunized against rabies and a certificate of the dog license and pay the cost of furnishing a replacement tag.

Section 5.01—Barking or Dangerous Dogs. No person shall keep or harbor a dog which by loud, frequent or habitual barking, yelping or howling, shall cause a serious annoyance to the neighborhood or to people passing to and fro upon the streets. Yards and/or exercise dog runs shall be kept free of dog droppings, uneaten food and maintained in a sanitary manner so as not to be a nuisance because of odor, or attraction for flies and vermin. No person shall own or harbor a vicious dog or a dog that has been bitten by any animal known to be afflicted with rabies. Any person who shall have in his or her possession a dog which has contracted, or is suspected of having contracted rabies or which has been bitten by any animal known to have been afflicted with rabies shall upon demand of the health officer or any public safety officer of the Village of Westwood produce and surrender said dog to the health department or public safety officer of the village to be held for observations and/or treatment; provided that with the approval of the Health Department, any such dog may be surrendered to a registered veterinarian, or to any approved non-profit corporation organized for the purpose of sheltering dogs. It shall be the duty of any person owning or harboring a dog which has been attacked or bitten by another dog or animal showing the symptoms of rabies to immediately notify the Department of Public Safety that such person has such dog in his possession. Whenever a dog is brought to the pound for having bitten a person, the dog warden or other duly authorized officer may, if deemed necessary and advisable, and after holding such dog a sufficient length of time to meet the requirements of the Health Department for investigation, cause such dog to be destroyed as a vicious dog.

Section 6.01. Housing for Stray and Unwanted Animals. The village may provide a pound or may contract for such service and it shall be the duty of any member of the Department of Public Safety and of every other person who may be employed by the Village Council for that purpose to properly seize, take up and place in said pound all dogs that may be found running at large or being kept or harbored in any place within the Village of Westwood contrary to the provisions of this ordinance.

Section 7.01. Dogs Released from the Dog Pound. No dog shall be released from the pound unless the owner or person entitled to claim the same shall pay the fees as set forth in the following schedule:

(a) One Dollar ($1.00) impounding fee.
(b) The cost of board, rabies vaccination and other care and treatment, if necessary.
(c) Any license fees required.

All dogs released from the pound to owners or purchasers thereof shall receive rabies immunization if the dog has not been vaccinated within the previous twelve (12) months.

All dogs not claimed and released within seventy-two (72) hours after being impounded shall be destroyed in a humane manner, provided however, that if in the judgment of the Director of Public Safety or the person employed by the village Council as dog warden, said dog is valuable or otherwise desirable for keeping, the Director of Public Safety or person employed by the Village Council may dispose of said dog to any reasonable person who will undertake to remove said dog from the village or keep and harbor said dog within the village in accordance with the provisions of this ordinance. The bodies of all dogs destroyed at the pound or elsewhere in the village shall be disposed of in a manner approved by the Health Department.

Adequate records will be kept to report this disposition of all dogs brought to the pond.

Section 8.01. Cruelty to Dogs.

(a) No person owning or harboring any dog or any other person shall treat a dog in a cruel or inhumane manner or shall negligently cause or permit any dog to suffer unnecessary pain.

Section 9.01. Penalty.

(a) Any person who shall violate any of the provisions of this Ordinance shall be deemed to be guilty of a misdemeanor, and upon the conviction thereof shall be subject to a fine not to exceed One Hundred ($100.00) Dollars or by imprisonment in the Oakland County jail for a period of not exceeding ninety (90) days or by both such fine and imprisonment plus costs of prosecution, in the discretion of the Court; provided however, that for certain violations under this Ordinance as hereinafter listed, the violater shall have the option of the predetermined penalty as hereinafter set forth in lieu of having the violation proescuted in Court, in the event such violation shall be settled in accordance with the terms of this Ordinance.

(b) In the event the dogs shall not be seized by the Pubic Safety officer or person designated by the Village Council, the officer shall present the violator with a summons or ticket giving the time and date of violation, brief nature of such notice or officer, brief description of dog, place of violation and directing the violator to report at the Violations Bureau and pay the predetermined penalty in such violation within seventy-two (72) hours from the date of such notice. If the violator fails to appear in accordance with such notice, the Violations Bureau may send to the violator by mail to his or her last known postoffice address, a notice notifying him or her of such violation, and warning him or her to appear within five days from the date of such notice to settle such violation penalty, or the officer may make a complaint, either before or after the giving of such warning, in the Justice Court in accordance with the provisions of this Ordinance, and the case tried in the usual way before the Justice.

(c) The officer may, in his discretion, present the violator for a first offense, with a courtesy card or notice notifying him that in the future he will be required to strictly comply with the provisions of this Ordinance, and may also deliver to such person a copy of this Ordinance. The notices described in Sub-sections "b" and "c" of this Section shall not be a prerequisite to prosecution of violations hereunder.

(d) The following violations may be settled at the Violations Bureau in lieu of having the violation prosecuted in Court, upon payment in accordance with the terms of this Ordinance of the respective penalty set opposite such named violations for the respective offense involved, as follows:

Offence	Penalty
Failure to have dog licensed	$3.00
Failure to have license tag annexed to collar or harness of dog	3.00
Permitting dog to stray from premises of owner without being under reasonable control of some person or on leash	3.00
Harboring a loud, frequent or habitual barking dog	3.00

Section 9.01. Severance Clause. If any section, clause or provision of this Ordinance shall be declared to be inconsistent with the Constitution and laws of the State of Michigan, and void by any Court of competent jurisdiction, said section, clause or provisions declared to be unconstitutional and void shall thereby cease to be a part of this ordinance, but the remainder of this ordinance shall stand and be in full force and effect.

Section 10.01. Effective Date. This ordinance is hereby declared to be an emergency ordinance which is immediately necessary for the preservation of the public peace, health and safety and shall become effective immediately upon publication.

Made and passed by the Village Council of the Village of Westwood, this 19 day of May A. D. 1958.
