Zoning Changes To Be Discussed At Public Hearing

A public hearing to consider the advisability of making three amendments to the zoning ordinance will be held at Monday's commission meeting at 8 p.m. in the Municipal building.

The three amendments to be considered are:

1. Re-zoning property at the corner of Woodward and Redding described as the replat of the Easterly part of Quarton Lake Estates Subdivision. Under the amendment, lots 1 to 9 and lot 47 would be rezoned from R-6 multiple-family residential zone district to R-5 multiple family residential zone district.

2. Re-zoning property on the east side of Lakeside described as the Quarton Lake Estates replat. This would include changing lot 67 and the northerly 10 feet of lots 68 and 70 and the north half of lot 71 from its present classification as public property to R-1 single-family residential.

3. Re-zoning property in Indian Village subdivision, located on the north side of Fourteen Mile road east of the alley, lying east of and parallel to Pierce street. This would be the changing of lots 118 to 114 inclusive from the present classification as public property to R-5 multiple-family residential.

Objections to any of the three proposed amendments must be submitted to the city clerk in writing by noon today so they can be duplicated and forwarded to members of the city commission prior to Monday's meeting.
