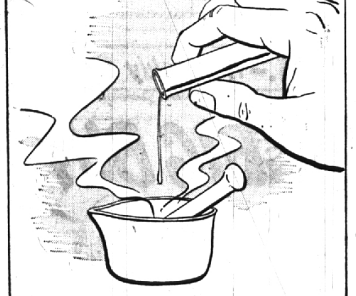
Natural *GAS*
YOUR SILENT SERVANT



We Add The Odor To Protect Gas Customers

Before natural gas enters the city mains it has no odor. As a safety measure we add a harmless chemical to provide an aid to leakage detection. This is only one of many steps taken by the gas industry to assure safety.

Every piece of pipe, every joint, is inspected and tested before and after it goes into the ground.

The American Gas Association operates extensive testing laboratories to make sure the gas appliances you use conform to rigid safety requirements.

Constant vigilance by all branches of the natural gas industry keep it one of the safest fuels in home or industry.

Only GAS does so much, so well . . . the modern fuel for automatic cooking . . . refrigeration . . . water-heating . . . house-heating . . . air conditioning . . . clothes-drying . . . incineration.

Moskowitz Named To State Board By Gov. Williams

HAZEL PARK — Well-known in Oakland county Democratic circles, Jack Moskowitz, Hazel Park's city attorney, has been appointed by Gov. Williams to a post on the Michigan employment security commission appeals board.

The board hears appeals of referee decisions in unemployment compensation cases. Members get $40 daily up to a maximum $10,000 a year.

MOSKOWITZ, an active Democrat whose wife is a member of the county Democratic committee, said he will continue to maintain his law offices in Hazel Park. His appeals board term expires March 31, 1964.

The 33-year-old attorney lives in Huntington Woods. He is a former supervisor from Oak Park and former chairman of the legal aid committee of the county bar.

Mort Neff Heads Michigan Week In Oakland County

Mort Neff, Birmingham, producer of "Michigan Outdoors," will serve as 1960 Michigan Week chairman for Oakland county.

His appointment was announced today by Thomas Adams, president of Campbell-Ewald advertising agency, Detroit, and regional chairman for the five-county area of southeastern Michigan.

Neff, 7471 Jackson Park drive, Bloomfield township, whose television program is about to begin its tenth year on most Michigan stations, travels some 100,000 miles annually, visiting all sections of the state.

"Throughout Michigan I have observed the interest and enthusiasm displayed in past Michigan Week observances," he said. "We have an excellent opportunity to make this year's celebration bigger than ever before, for Michigan's advantages as a place for business, recreation and living are at their peak."

Heart Disease Is Country's No. 1 Killer

Heart and circulatory diseases killed 1,652 persons in Oakland county in 1958, while the next most deadly killer—cancer— took 675 lives, according to the Michigan heart association.

Many of these untimely deaths could be prevented if the public were properly informed on this vital subject," said Michigan heart association President Dr. Donald S. Smith, of Pontiac.

Women Hear Bentley Talk As Candidate

The audience gave a warm greeting to Congressman Alvin N. Bentley last week in Pontiac when he spoke to the Oakland county Federation of Republican women.

The Owosso millionaire talked like a candidate, discussing issues and arguing for more equitable trade agreements to cut the advantage of foreign manufacturers. Bentley said he would announce in April whether he will seek the nomination to run against Democratic Senator Pat McNamara in November.

He Promises

Lincoln Republican club officers have obtained a promise from U.S. Congressman Robert P. Griffin that he will speak to the Oakland county Lincoln banquet next month. Time and place have not been announced.

Madison Heights Views Alternate To 12 Town Drain

While several Twelve Town drain communities are seeking to force action on the drain which Madison Heights has stalled, that city is already considering an alternate solution to its drainage problems.

Ferndale has asked other Twelve Town participants to go along with it in seeking to turn the project over to the state health department and attorney general. Berkley's council has voted to back the Ferndale move.

Last week Madison Heights officials listened seriously to a proposal that their city build a combination sewage-garbage treatment plant which would cost about $250,000 and produce a fertilizer base that would sell for $40 per ton. Madison Heights' share under the Twelve Town drain is $2.8 million.

Single Lobby Group Eyed by Counties

PONTIAC — A merger of two state groups of county officials into a single strong lobbying force is now being attempted. If successful, the merger of the State association of supervisors and the Institute of local government will produce an organization similar to the Michigan Municipal league for cities.

Delos Hamlin, Oakland county board of supervisors chairman and a director of the State association of supervisors, said, "We feel we should have one stronger force for local government in Lansing."

CD Unit Hospital Sets Open House

The hospital where Oakland citizens are trained to assist doctors and nurses in a community disaster—the Federal civil defense training unit in Hazel Park—will hold open house this weekend.

The hospital at John R and Evelyn will be open to the public tomorrow from 6 to 10 p.m., Saturday from 1 to 7 p.m., and Sunday from 1 to 5 p.m. Training classes are scheduled through local civil defense offices.

Thatcher Elected Road Vice-Chairman

New vice chairman of the Oakland county road commission is former West Bloomfield township supervisor Hiland M. Thatcher, who was elected to the post last week.

The road commissioners re-elected Robert O. Felt as chairman. Thatcher resigned Dec. 1 as township supervisor to accept the seat on the road commission.

Big Brothers Need More Men to Help 'Little Brothers'

A "Big Brother" shortage faces the Big Brothers of Oakland county, the non-profit organization which maintains about 50 "one man to one boy" relationships in the county.

Floyd Metz, casework counselor for the organization, said, "If we opened the gates, we could have 100 more."

The Big Brother helps a boy seven to 16—who does not have a father in the home—to overcome his social problems.

Persons interested are urged to call Big Brother headquarters, 132 Franklin, Pontiac.
