IT WAS JUST 8 YRS. AGO THIS FALL. We moved out here with our family small, 3 young sons, plus a 4th son soon, still we had plenty of room. Then came son, number 5 so soon! That's when we added a family room. A friendly room with a fireplace bright, now our home was exactly right, but then came Ann and Mary Beth small, bunk beds, trundle beds, cribs and all, we just can't stretch these bedroom walls. We have 3 nice bedrooms with closets large, a beautiful family room but no garage, wall to wall carpeting and a tiled basement floor. Wonderful neighbors. Could you ask for more?
