Political Splash

"Teens for Tilchin" got their feet wet in politics with a recent pizza-pool party at Asher N. Tilchin's Birmingham House Motel. The splash party inaugurated a teen program, which includes distribution of literature, babysitting and telephoning voters, as part of the Democratic candidate's campaign for Con-Con in the Third Legislative District. Members of the group are (from left-front) Terry Watts, 11, 1754 S. Bates, "Teen Mascot;" Barbara Hansen, 523 E. Southlawn; Tilchin; Shannon Watts, 1754 S. Bates; and Carolyn Moonen, 1675 S. Bates. Pictured (from left-back) are Cheryl Clark, 540 S. Cranbrook Crossroad; Renee Rakozy, Milford; Judy DeWaelische, Milford; Dorothy Rogers, 551 S. School Hours Announced

See related story Page 1-A

Birmingham school system has announced school hours for the 1961-62 school year.

School doors will open about 15 minutes before classes begin.

Of the secondary schools, Barnum, Derby and Seaholm will begin classes at 8 a. m. and conclude at 3:10 p. m. Groves classes will start at 8:30 a.m. and end at 3:40 p. m.

Elementary schools having bus service will begin at 8:55 a. m. and dismiss at 2:50 p. m. These schools are Beverly, Franklin, Greenfield, Harlan, Valley Woods and Walnut Lake.

, , ,

ELEMENTARY SCHOOLS without bus service will begin at 8:45 a. m. and close at 3:10 p. m. These schools are Adams, Pembroke, Pierce, Quarton and Torry.

Baldwin and Bloomfield Village Schools will start at 8:55 a. m. and end at 3:10 p.m. Midvale School will open at 8:55 a.m. but dismiss at 3:20 p. m. to avoid conflicting time schedules with Seaholm.

Differences in starting times are due primarily to the bus schedules which permit most buses to make three runs.

All students will spend the same length of time in classes. The length of lunch periods will vary depending on individual school conditions.

B'field Twp. Youth Mute on Charge In Traffic Death

BLOOMFIELD TOWNSHIP—A 19-year-old youth stood mute when arraigned in Circuit Court Monday on charges of negligent homicide in the July 23 traffic death of a Shelby Township girl.

Judge William J. Beer entered a plea of innocent for James W. Lynch, 401 S. Telegraph, Bloomfield Township. Lynch's trial is scheduled for October. He was released on a $500 bond.

The charge resulted after a traffic accident July 14 that later caused the death of Barbara J. Abo, 18, of 4851 Auburn Road, Shelby Township.

Ingraham Heads Family Section of Law Association

Carl F. Ingraham, an attorney with offices at 988 S. Adams and a Birmingham city commissioner, has been elected chairman of the section of family law in the American Bar Association.

His election came at the association's recent annual meeting in St. Louis, Mo.

The family law section is comprised of all lawyers in the U.S. interested in laws pertaining to families—adoptions, custody, juvenile courts, divorce, etc.

, , ,

INGRAHAM TOLD his fellow commissioners Monday night that this increase in his responsibilities may curtail his attendance at meetings of the Oakland County Board of Supervisors. He is one of four supervisors from Birmingham.

He said the commission may wish to consider appointing someone else.

Moves to B'ham

Kathleen Madonna, 31815 Southfield, Beverly Hills, has moved her office, Real Estate and Insurance to 1143 Webster, just east of Adams in Birmingham.

Lions Face Challenge Of St. Louis Cardinals

After their recent loss at the hands of the world champion Philadelphia Eagles, the Detroit Lions are back to two-a-day practice sessions at their Cranbrook training site.

Coach George Wilson ordered the drills after the Lions' shaky showing Friday.

Closing out the "home" portion of the 1961 pre-season schedule, the Lions host the St. Louis Cardinals in Tiger Stadium, Friday night.

Kickoff is 8:06 p.m. for the game that will test the rebounding ability of two teams that are highly-regarded in their respective divisions.

The Lions enter the game with a 2-1 record, after dropping a 23-14 decision to the Philadelphia Eagles, while the Cardinals, who have been handicapped by critical injuries, come in after losing to Pittsburgh 24-14.

, , ,

COACH WILSON has trimmed his roster of players to 40 and plans to start "putting things together" for the season against the Cardinals. With the final pre-season game carded for Sept. 9 at Cleveland, and the season's opener against Green Bay only two weeks away, experimenting is a thing of the past.

The Cardinals bring to town the most exciting new "rookie" to come along in many years. Sam "The Rifle" Etcheverry, a sensational passer in Canadian football for 9 seasons, is being counted upon to provide the Cardinals with a top-flight quarterback to go with their already potent running game.

Etcheverry set record after record in the Canadian league and if he can play up to that pace in the National Football League, he could cause considerable trouble in the league race in '61.

, , ,

ETCHEVERRY, a 5'11", 190-pounder from Denver University, has been troubled by a sore arm in early camp drills but doctors indicate he is once again ready for action and that he will definitely play against the Lions Friday night. During his absence, George Izo, former Notre Dame star, and rookie Charlie Johnson from New Mexico State, have been taking up the slack.

The Lions defense, which has been touted as one of the league's best, could be in for another tough night. The Cardinals' sensational pass catching end, Sonny Randle, caught 15 touchdown passes last year, while finishing second to Ray Berry in number of receptions with 62 catches and is one of the truly great receivers in the game.

St. Louis's ground game is wrapped up in halfbacks Joe Childress, subbing for the injured John David Crow, Prentice Gautt, and fullbacks Frank Mestnik and Mal Hammack.

Lion ticket people advise that a good selection of seats in all price categories are on sale and will be available right up until kickoff.

LEGAL NOTICE

ORDINANCE NO. 65

AN ORDINANCE TO AMEND ORDINANCE NO. 21, ENTITLED THE ZONING ORDINANCE, BY ADDING A SECTION PROVIDING FOR A MULTIPLE-FAMILY DWELLING RESIDENTIAL ZONE, DEFINING THE SAME AND RE-ZONING CERTAIN LANDS FOR MULTIPLE-FAMILY USES.

THE TOWNSHIP OF BLOOMFIELD ORDAINS:

Section 1.01. That Section 1 of Ordinance No. 21 entitled Definitions, be and the same is hereby amended by the addition of the following:

MULTIPLE-FAMILY DWELLING:
The dwelling units in a multiple dwelling as defined herein:

1. **One Bedroom Unit**
   A dwelling unit containing a minimum net floor area of at least 500 square feet per unit consisting of not more than three (3) rooms in addition to kitchen and full bath.
2. **Two Bedroom Unit**
   A dwelling unit containing a minimum net floor area of at least 650 square feet per unit, consisting of not more than four (4) rooms in addition to kitchen and full bath.
3. **Three or more Bedroom Units**
   For each room in addition to the four (4) rooms permitted in a two (2) bedroom unit, there shall be provided an additional area of 150 square feet to the minimum net floor area of 650 square feet.

ROW HOUSES:
Is a two (2) story row of three (3) or more attached, one (1) family dwellings, but more than two (2) rooms deep, each unit of which extends from foundation to roof.

TERRACE:
Is a one (1) or two (2) story row of three (3) or more attached, one (1) family dwelling, not more than two (2) rooms deep, and having the total dwelling space on one (1) floor.

Section 2.01. That Ordinance No. 21 be amended by the addition of a new section, therein to be known as Section VI-A, to be known as the Multiple-Family Dwelling Residential Zone, reading as follows:

SECTION VI-A—MULTIPLE FAMILY DWELLING RESIDENTIAL ZONE:

PREAMBLE:
The Multiple-Family Dwelling Residential zone is designed to provide sites for multiple-family dwelling structures which will generally serve as zones of transition between Commercial Zones and the lower density single-Family Residential Zones. The Multiple-Family Dwelling Residential zone is further provided to serve the limited needs for the apartment type of unit in an otherwise low density, single-family residential area.

USES PERMITTED:
In a Multiple-Family Dwelling Residential zone no building or land, except as otherwise provided in this ordinance, shall be erected or used except for one or more of the following specified purposes:

1. All principal uses premitted in Residence Zones 2 and Zones 3 with the lot area, yard, and floor area requirements equal to at least the requirement of the immediately adjacent Residential zone.
2. Two-Family Dwellings.
3. Multiple-Family Dwellings.
4. Accessory buildings and uses customarily incident to any of the above permitted uses.

USES PERMITTED ON SPECIAL APPROVAL:
The following uses shall be permitted subject to the review and approval of the site plan, site and design by the Board of Appeals, and subject to the conditions herein imposed for each use:

1. General Hospitals, except those for criminals and those solely for the treatment of persons who are mentally ill or have contagious disease, not to exceed two (2) stories above grade, when the following conditions are met:
   a. All such hospitals shall be developed only on sites consisting of at least five (5) acres in area, and shall not be permitted on a lot or lots of record.
   b. The proposed site shall have at least one property line abutting a major thorofare (a thorofare of at least 120 feet of right-of-way, existing or proposed).
   c. The minimum distance of any main or accessory building from bounding lot lines or streets shall be at least one hudired (100) feet for front, rear, and side yard for all two (2) story structures.
   d. Ambulance and delivery areas shall be obscured from all residential view with an obscuring wall or fence six (6) feet in height. Ingress and egress to the site shall be directly from a major thorofare (a thorofare of at least 120 feet of right-of-way, existing or proposed).
   e. All ingress and egress to the off-street parking area, for guests, employees, staff, as well as any other uses of the hospital facility, shall be directly from a major thorofare.
2. Accessory buildings and uses customarily incident to any of the above permitted uses.
3. Automobile parking space to be provided as required in Section VIII, Off-Street Parking Facilities.

AREA AND BULK REQUIREMENTS:
The following Schedule of Regulations shall pertain in the Multiple-Family Dwelling Residential zone, in establishing the minimum controls limiting the height and bulk of buildings and area requirements.

BUILDING TYPE	MAXIMUM HEIGHT OF BUILDINGS		MINIMUM YARD SETBACKS		PARKING REQUIREMENTS PER UNITS	DEVELOPMENT SITE CONTROLS	MINIMUM FLOOR AREA PER UNIT (Sq. Ft.)
	Stories	Feet	Front	Sides			
a. Two-Family Dwellings	2	25	40	15	2	**	800
b. Multiple-Family Dwellings	2	25	40	20*	2	***	****

NOTES:

* Every lot on which a multiple dwelling is erected shall be provided with a twenty (20) foot yard on each side of such lot. East side yard shall be increased by one (1) foot for each ten (10) feet or part thereof by which the length of the multiple dwelling exceeds forty (40) feet in over-all dimension along the adjoining lot line. In order to preserve the general open character of the district, structures shall be limited in length to one hundred twenty-five (125) feet. Rear yards and spacing between buildings shall be provided on the following basis: One (1) and two (2) story structures shall have at least forty-five (45) foot spacing between buildings and shall be provided with at least thirty five (35) foot rear yards.

** Where development is exclusively of Two-Family Residential type structures, there shall be provided a minimum area of at least six thousand (6,000) square feet of gross lot-area for each unit or twelve thousand (12,000) square feet per each two-family structure).

*** Each parcel shall be so developed that the total number of rooms (other than kitchen and full bath) provided thereon shall not be more than the area of the parcel, in square feet, divided by fifteen hundred (1,500). All units shall have at least one (1) living room and one (1) bedroom.

**** See Definitions. All Multiple Dwelling types shall comply with the floor area requirements based on the bedroom ratio.

Section 3.01. That the following described property is hereby changed to a Multiple Family Dwelling Residential zone use, and the Building Zone Map of said Ordinance No. 21 is hereby amended to reflect said change. Such property is described as follows:
