district, state, and regional tournaments undefeated.

The 1961 state tournament will be held in Redford Township on Aug. 10-11. The tourney will decide the state's representative for subsequent regional tournament play.

LITTLE LEAGUE roots go back to the three-team league of 1939 in Williamsport, Pa. The program has sky-rocketed from 15 franchised leagues in 1947 to 5,600 in some 23 countries this year.

The idea took hold in 1952 when Little League franchised leagues jumped from 763 to 1,550. The total rose to 2,643 the following year and passed the 5,200 mark last season.

Thus, the Little League baseball program has taken hold in a big way. Besides providing a base for the building of good sportsmanship, it trains youngsters to become better ballplayers.

The next stop for talented Little Leaguers might be the major leagues.

Titans Pace Babe Ruth

The Titans of the Babe Ruth Pioneer League remain in first place after their 4-1 win over the Wolverines. Kurz pitched a three-hitter for the Titans, striking out 14.

In the Satellite League, the Browns captured first place by besting the Monarchs, 4-2.

The Maroons, after losing the first game of the season, have won five games in a row to take over second place in the standings.
