LIKE EARLY AMERICAN?
THEN YOU SHOULD SEE THIS CUSTOM built bi-level home with 98 feet frontage on Pine Lake — "All Seasons Vacation Land".
Double-door entrance to large foyer. Four bedrooms. 2 ceramic tile baths, plus powder room. 30 x 17 living room with natural fireplace, overlooks lake. All electric built-ins kitchen with wealth of cupboards and formica topped counters. A cheerful corner breakfast space adds pleasure, so all family eating takes a clear view of the lake. Mudroom and laundry with grade door adjacent to the kitchen complete, from the lower or street level of this home.
The lower level opens to a large patio on the lake front from a 895 sq. ft. family or recreation room with a natural fireplace. Also space on this level for a work shop or hobby-room. The original plans provide for future finishing an "in-law" apartment in this level, underground plumbing is installed. This is a home for the real family living in the Bloomfield school district and Our Lady of Refuge Parish. Now priced at $54,900, which is below cost to reproduce in kind.

DON'T LIKE EARLY
AMERICAN?
THEN YOU SHOULD SEE THIS NEWly built Contemporary bi-level home about 200 paces down the street, also on Pine Lake. Many pleasant surprises from the time you enter the double doors to the large foyer. To the right, two steps down is the 27 x 16.6 living room with studio ceiling, herringbone white oak floor and large natural fireplace. The kitchen is unique in both dimensions and step-saver planning. Built-ins include Kitchenaid dishwasher, General Electric range with griddle plate, oven and disposal. A breakfast table, in keeping with the contemporary motif, is also built-in. Two bedrooms are generous in size and the third bedroom, 11 x 12 ft. can double as a den, library or home office. The two ceramic tiled bathrooms with built-in vanities are larger than usually found in this type of home. The laundry room is strategically placed in the bedroom area. The lower level contains a 29.6 x 14.6 panelled family room with natural fireplace. Space in this level available for a workshop or hobby room. A gas-fired, circulating hot-water, 3 zone, basehoard installation provides for economical, adequate heating. Thermopane windows with screen sections forego the extra expense of maintaining storm sections. Inter-com throughout is an added feature. There is a 2½ car attached garage and blacktop drive. Yard has been sodded. The price of $49,900, is in keeping with the excellent quality of materials and workmanship.
Please note: Front elevations very seldom indicate the large amount of floor space the bi-level home. For appointments to see these homes call,
