price and beg and steal a living. A lady in town the other day left a black kitchen maid, unlearned household duties in the kitchen of a house and upon returning found a big tramp just preparing to help himself to the money and such other things as he thought he needed.

A prompt order from the lady with a threat that the tramp would be arrested, and the lady left a note and a key to the house.

The tramp was arrested and the lady was satisfied. The tramp was arrested and the lady was satisfied.

THOUGHTS.

Of the scenes of my boyhood I have to recall them. I have to recall them. I have to recall them.

On the long, long day. On the long, long day. On the long, long day.

As in life's book I read. As in life's book I read. As in life's book I read.

Some of the scenes of my boyhood I have to recall them. I have to recall them. I have to recall them.

On the long, long day. On the long, long day. On the long, long day.

As in life's book I read. As in life's book I read. As in life's book I read.
