

THE MORTGAGE ON THE FARM.

WILL GARLTON. We worked through spring and fall, winter, summer and fall, and the mortgage worked the hardest and it worked in all seasons; it worked when it set down among us, and it never went anywhere else.

AN UNEXPECTED RACE.

In one of the larger towns of Worcester Co., Mass., we call it Hildesheim. The pastor of the Baptist church, and the minister of the Episcopal church, were both in his ideas of moral purity.

FOLK NOTES.

Martin Van Buren used to take part in the "quarter and minutes at star-trotting" for it was held a section of his own farm.

THE WHEAT RANGES IN CALIFORNIA.

N. T. Watt and Express. California is a large State, and we have a large wheat crop.

THE NORTHERN PACIFIC.

The history of the Northern Pacific through line to the Pacific is so interesting that it is worth a review.

THE CAUSE OF DIPHTHERIA.

Dr. Emil Querner, of Philadelphia, who has been investigating the cause of diphtheria, has discovered some articles for publication.

CREAM FOR SMALL-POX.

For this loathsome disease, a cream has been discovered by Dr. W. G. Cozart, Penn.
