## TOPICS OF THE TIMES.

CALIFORM, wheat-growers are reck-oning largely upon the completion of the Panama canal since it will shorten the Panama canal since it will shorten the long voyage which California wheat. They believe that on the day the canal is opened the state can devy the canal is opened the state can devy the canal to spend the state can develope the con-traction of the canal is, therefore, expected to add to the value of every acre of wheat land in the state

COMMENTING on the legend that the

a moving story. The Lord's prayer receited as an elocutionist's exposition ould not possibly server that purpose."

As to life in a light-house Capt. Chark Capt. Chark Cole, keeper of the house on Presque Idee, said to an Eric Dispatch reporter. "To a politician the place would be banishment, but to a Christian it is paradise. There is southing to do during the present months when the lamps are not lighted, but to eat, driefs and be merry on the rations and literature supplied by a thoughtful government. Twice in a year a government vessel because the laghteness of the post of the present months when the lamps are host lighted the present months when the lamps are host lighted. The post of the present months when the lamps are host lighteness of the laghteness of the laghtene

geovernment remember him again."

SEXATOR BLAIN has had pending for fore Congress for a number of years, a forest congress for a number of years, a forest congress of the pending for main or spirituous liquors after the year 1800. Congressman Deutster, of Wisconsin, a representative of the German dement in the West, thinks, and quite overectly, that his right to offer Constitutional Amendments in as good as Sentiment of the West, thinks, and quite overectly, the pending of the control of the pending of the control of the cont
