NOTES OF THE DAY.

THERE is a young woman up in Mani-toba who, in the opinion of the Buffalo Express, should command the reverence of her see. She is English—came over a few months ago, landing in Manitoba a perfect stranger. Since then she has a succeeded in getting a husband for her-self and mates for 117 of her unmarried countrywomes.

countrywomen.

CERTAIN counterfeit allver dollars now in circulation in Boston are so neatly executed as to almost defy detection. They are of whithis color, dated 18st, and have a clear and almost perfect ring. The diels excellent, at the size and thickness corresponds with the standard silver dollar. It is rumored that some of the same stuff is being circulated in Michigan.
