Undertaking.

Wishing to make our business importenent: Kanown, we therefore take this method of informing the readers of this paper and the public generally that with the increased facilities of last year, we are better prepared to at tend to the immediate wants of those in need of an Undertaker. Having passed a antifactory examination from the Rochester, N. Y., cheool of embaluing, we are permitted by the faculty to said school, to practice successfully the art of practical proceeding and embalming of boties by which method ice boxes are not used and bedies kept in perfect condition in the most satiry seather for a number of days, and thus hasty funerals are avoided and the ice and un sightly ice box are done away with. We personally attend to the laying ut of bosine free of charge, distance not limited, calls by might or day persons, attended to and disgreeable weather causes no deay. Our stock comests of
