THE story of "Scotty," the third in the Jackson jail, sounds too "looklish" to be other than what it has been thought by sensible persons to be — a lie told by one of the most notroins criminals in the country. It is not at all probable that the attention of the officers will be a large to the country. It is not at all probable that the attention of the officers will be a largely day for the persons now asspected of the crime. If the evidence against them could be a shopled as easily as "Scotty's" story.

The Rev. Dr. Guthrie says. "Whisey is good in its place. There is nothing like whilely in this world for preserving me may ghen he is dead. But it is one of the worst things in the world into a like in the preserving me may ghen he is dead. But it is one of the worst things in the world with the preserving me may ghen he is dead. But it is one of the worst things in the world with the preserving me and when he is living. If you want to began hed min my hisky; if you want to keep a dead man, put whisky into hum. It was a capital thing for preserving the dead and the state of the state
