CURRENT TOPICS.

Athens, Georgia, does not claim to be so learned a place as the ancient Athens, but they change for what they do know down there. An Athens law-yer was retained recently by a survey gaage railroad company to defend a wall against them. He took it, as a retailing fee some survey of the chain was the case was not the case was not

he added weight of a perpetual sorrow.

At the recent annual meeting of the state Board of Health the Eccretary presented a summary compiled represented a summary compiled under the new law. The number of counties in the state is 80°; from 76° of which reports have been received in the which reports have been received in 5.3° 285, but in some cases physicians example the state is 80°; from 25° been considered in two or more counties.

The number presented in two or more counties.

Birmingham Eccentric. had to be signed by a 'mark," the practioner being unable to write eret
