Birmingham Eccentric.

CURRENT TOPICS. OWNERN TOPICS. UP TO May 1 the number of lives ost this year by accidents which cost a loss of 20 lives and more, was 1,908. This years so far is more calamitous, although last year was more remarkable for the actual number of the disasters.

THE Indian population of the United States now number 325,000, exclusive of the Indians of Alaska, who number about 30,000. About 75,000 of them are in the Indian terriory, where they are divided into five ceilized nations—the Cherokees, Creeks, Chectaws, Chikkasaws and Seninoles.

asaws and Squilnoies.

Framese's in the North, where the in sects that pester animals have not yet made their appearance, can hardly conceive the datress occasioned its South by Buffalo gnats. For weeks took has been suffering from their attacks and in some sections their depredation have caused an almost entire suspension of farming.

Dr. EGGLETON contributes a paper to the June Century on "Commerce in the Colonies." It is said that this sketch of the growth of ship-building, the early currency, and the various problems of trade will be interesting reading in 'view of recent discussions in congress of similar problems. The

CODE in light last week, when an East-bound train from Chicago was going at full speed, soon after leaving the city, woman, apparently insane, deliberate-y took off her outside garments and lress, and as deliberately walked to he, door, well-bert to attentive.
