YOUTH'S COLUMN. WHICH WAS IT!

there is now a thriving little town, and was hief but decisive. The outlaws, seeling that escape was impossible, turned for a desperate fight. The leader, 'Red | Peter,' said to his comrades: 'You look out for the gang and I will settle the crowing of that and I will settle the proving of the red of the red

to think of her, in that moment of excitement.

Perhaps a good many of the little

WOMAN'S DEPARTMENT.

In order to prevent haystacks beit destroyed by fire, farmers in the fi west scatter a few handfuls of comm salt between each layer. It is claime that the salt, by absorbing the humidit of the hay, prevents its fermentatic and consequent heating.
