HOME NOTES.

PERPETUAL NOTICE.

You will please notice date after your

time on paper and envelope; this tells you

when your paper will be delivered. If you

time is not please call and settle.

Mrs. Ed. Ford is slowly improving.

H. C. Hoffman and family leave for

Pittsburg this week.

Read Whiteland & Mitchell's advertise-

ment, new this week.

Closing out sale of hardware and the

ware at cost at Corson's.

Look out for McBride & Johnston's

roller skating rink next week.

Miss Stella Ward is spending a part

of her vacation in Port Huron.

Miss Alice Richmond of Detroit is the

guest of Mrs. G. C. Gibbs this week.

Paper collars and cuffs at cost at

Whiteland & Mitchell's to close out

stock.

It is a remarkable fact that there is an

unusually high level of local news this

week.

A choice lot of news from Clawson to

frustrate for this issue. A little earlier,

frustrate.

Two Lida Christian of Detroit was in

town last week and visited the family of

J. A. Bigelow.

See the advertisement of wagon, cut-

ter, etc. in cheap column, for sale by

Robert Hanna.

Another branch of the "Salvation

Army" is being organized for a generous

supply of excellent pairs.

Will the lady who took a Magic car

pet sweater on trial from Whiteland &

Mitchell please return it or let us know

it is out.

Try street and Mill street are names of

the past, as the whole street from Fred

Stephan's corner to the mill is now called

Maple avenue. Nice name, nice street.

Frank Prall, 6090 Bristol

street, is working six days and

getting his machine 12 times. Short

straw and lively work did the business.

It is solemnly alleged that some ash

gathers stole the entire stock of ash

appertaining and belonging to the resi-

dence of Henry M. Frank of Frank street

this place, and wife of Ed. Brooke, for-

merly of this place, died on Tuesday

last at 1 o'clock p. m.

Prof. Clize returned to Princeton last

week and his services were in the

schools of that city. His wife and

the little one remain here for a week or

so before joining him.

Charles Coder of Southfield died at the

residence of his daughter in Clarkson

last week and his remains were taken to

Port Huron and other shore towns.

It is said that Royal Oak is to start a

lump-bank factory. The necessary fire

will be supplied by natural gas of

which," says the Detroit Post, "there is

a great abundance." Shouldn't wonder.

W. E. Wight, a graduate of the Bir-

mingham High school class of '82, after

being married to the university has

finally been assigned to the faculty of

his alma mater, and has been teaching

at the University of Michigan.

The young people of the Baptist

church will give a social at the resi-

dence of Mr. Campbell, Mill street,

on Wednesday evening, August 25, com-

mencing at 6 p. m. No admission

charge. Come and enjoy yourselves.

One day last week Mrs. James E.

was apparently surprised by the

arrival of her brother, Mr. Heister, who

she had not seen since her early child-

hood. He is now a

successful business

man and is now

residing in

the city of

Chicago.

Straw hats are going at a lively rate

at the half price sale at Corson's.

Ned Davis caught a monster billfish

while out camping last week, and Frank

Bookman has succeeded in "setting in

up" in fine shape. The fish will occupy

a prominent position in the barroom of

the National for curiosity's sake and a

monument of Mr. Davis' despatch.

Here's a list of babies for you, all of

whom have arrived within the past ten

days, and each individual one is the

quintessence of the nation's future.

Mrs. James McKinney of South-

field, girl; Miss Henry Leach, Birming-

ham, girl; Miss Harrison Benedict, girl;

Mrs. T. A. Ward, girl.

Messrs. Whiteland and Randall took

in the Publisher's models at Belle Isle

recently. Randall says that everything

was good friends when the boat first

started out but soon they began to throw

up to each other, and would scarcely

recognize, much less speak to their

younger in a short time.

J. J. Toms and Sam Alexander for

treasures committed by logs. Sam as a

rehabilitated measure and Tom as a

similar offense and beat him. The

next day Tom withdrew his suit and

paid up the costs. Sam is a hard custo-

mer to fight against and don't you

forget it.

The temperance society of Big Beaver

is in a flourishing condition. We un-

derstand that several young ladies of

this place desire to become Sobers and

Abstinents. New girls, in addition to

you must look high and buy your

shoes at Randall's of Pontiac. Give

the doctor a rest.

Miss Mamie Leggett of Dayton

Ohio, has just arrived in this city

and will be here for a short time

giving us some of her choicest selec-

tions of her artistic manner. This little

lady has the true touch of the "maestro"

and must be able to achieve a brilliant

success in the future.

On Monday afternoon last Dr. McKel-</
