DITCH CONTRACT NOTICE.

Notice is hereby given that I, Henry A. Judd, township drain commissioner of Troy, Oakland county, Mich., will meet parties on Monday, the 15th day of September, A. D. 1884, at 10 o'clock a. m., for the purpose of letting contracts for the construction of the Jennings drain. Commencing near the northeast corner of the west half of the southeast quarter of section No. 12 of said township; thence running east on the east half of said southeast quarter until it shall reach the highway; thence turning south and on the west side of said highway to station stake No. 22, its termination. And I will then and there proceed to let contracts for the construction of said drain in such portions as I shall deem best, and for the least sum of money to the person or persons who will give adequate security for the performance of the contract, according to the plans and specifications that I will then exhibit, which are now on file in my office. I reserve the right to reject any and all bids. The assessments of benefits made by me will be subject to review, also.

HENRY A. JUDD,
Township Drain Commissioner of Troy.
DATED Sept. 1, 1884.

COUNTY CORRESPONDENCE

JOHN LINE

Our luck is a sad one. We have to announce the death of two more of Mr. Blair's children. Little Grace, aged 9 and the younger, died Tuesday the 26th inst., and Bert, aged 22, passed away the last day of the month. None but those who have suffered a like sorrow can realize the grief of the bereaved family.

Albert and Will M. Kirkbride of Lapeer made their father a short visit recently.

Mrs. Bert Kelly has been quite ill but is much better now.

Mrs. Emeline Swain has been quite sick.

Some of the town line girls commenced school at Birmingham Monday. Wish them success.

MRS. PEACH.

COUNTY LINE.

Mr. Ed. Stafford of Fort Gratiot called on old friends in our vicinity last week.

Mrs. William Hamblin, sr., was taken sudden ill on Friday, but under care of Dr. Ravnale she is improving.

Robert Cranmer and wife visited last Friday.

John Hunter talks of renting Fred Babcock's farm.

One by one they are disappearing. Last Tuesday we saw Martin Blunt shooting at and mark, who didn't come within four rods of hitting anything, but a day or two after his action was explained by his saying he was only practicing for a match.

Bert Firth was also married a couple of weeks ago to N. A. Warner, a daughter of Henry Warner. All the parties are from the county line and we are glad to say there are several old maids and old bachelors left yet.

G. Heard has put in over a hundred pumps this season and still has a supply left.

CLIMAX.

The parched land and withered vegetation, both cultured and spontaneous, are surprising and the wail constantly arising from all nature is rain, more rain before we perish!

Now is the harvest time for well-borers and jobs are filling their hands.

Summer complaint is quite common among us.

Slow and tedious is the work of plowing and fitting for wheat.

The strong has heard the voice of justice in a law. Let him be more self-controlled and manly hereafter.

Nowadays breach of trust is not an uncommon occurrence.

Royal Oak has a law suit pending over a pole, in which a woman is defendant and Jack the plaintiff.

Bower is wide-awake. The Garden City manufacturing company of Chicago is making him a roller for flour to complete his roller process. It is now expected and will soon be in running order.

John Body is busily engaged in attending to the duties of his office. The condemned bridge near Wm. Denison's is now passable; also the one near Chas. Wilson's.

MORTGAGE SALE.—Whereas default has been made in the conditions of a certain indenture of mortgage made and executed by John Webber and Mary Caroline Webber, his wife, mortgagors, to Virginia Douglas mortgagee, and bearing date the fourth day of October 1878, and recorded in the office of the Register of Deeds, in and for the county of Oakland, in the state of Michigan, on the eighth day of October 1878, in liber 89 of mortgages, on pages 4 and 5, upon which said mortgage there is claimed to be due and unpaid, at the date of this notice, the sum of $827 13 for principal and interest, together with an attorney fee of twenty five dollars, as provided for in and for said mortgage to be paid should any proceedings be taken to foreclose the same; and no proceedings either in law or equity having been instituted to collect the same, or any part thereof. Notice is therefore hereby given that by virtue of a power of sale contained in said mortgage, and of the statute in such case made and provided, the said mortgage will be foreclosed, by a sale of the premises described therein, or so much thereof as may be necessary to pay said debt and the interest thereof together with the costs and charges of said sale and the said attorney fee, at public auction to the highest bidder at the front door of the Oakland county court house, in the city of Pontiac in said county of Oakland, that being the house where the circuit court for the county of Oakland is held, on the 31st day of October, 1884, at 2 o'clock in the afternoon of that day. Which said premises are described in said mortgage as follows, to wit: All that certain piece or parcel of land described as lot number five in the subdivision of lot number fourteen in the southwest quarter of section twenty-eight, including part of Mill lot in the southeast quarter of section twenty-nine, in township number three north of range ten east in the city of Pontiac, Oakland county and state of Michigan. The People's Choice

Democrats want Cleveland, Republicans yearn for Blaine, Prohibitionists clamor for St. John, Anti-monopolists shriek for Butler, while the blessed women, who certainly are in the great majority, all demand the Domestic sewing machine as the one great desideratum. The incredulous ask "why?" and the answer is simply this, "In its present state of perfection with its beautiful silver plated trimmings, its ebony finish, its handsome stand and its wearing abilities make it

Desirable,
Original,
Merit-a trial,
Easily learned,
Simple,
To lly go,
Invincible,
Convenient.

It is the grandest triumph of sewing machine mechanical skill and has the best set of attachments in a hand-some velvet-lined case, finished equally as well as a jeweler's case. Thus machine, with its vibrator, with which all kinds of under-braiding can be executed, makes it to be wished for more than any other machine manufactured. The "Domestic Spiral, extension" need hardly be mentioned to the ladies for embroidery, braiding, etc., can be used on the Domestic with as much ease and simplicity as ordinary stitching. The variety of fancy work done in attaching the Domestic is almost incredible. Work that now requires days to complete, by the old method can be done in a few hours by the Domestic in a most perfect manner. Simple directions for its use in fancy work accompany each machine. The Domestic is without doubt the best machine in the world to-day, and we do not hesitate to say so without making the charge personally and without trouble and no chance to be wrong. We would like to call at the Domestic Office and examine the many different machines for ourselves before purchasing or not. Don't let anyone persuade you that a machine is a machine and that is all there is to it. Investigate for yourself and you will find a machine that is a machine. We are not afraid to have the Domestic examined by the most critical and we are willing to rest the question of quality entirely on the merits of the machine. THE DOMESTIC

CHANCERY ORDER.—State of Michigan, sixth Judicial Circuit in Chancery. Suit pending in the Circuit Court for the county of Oakland in Chancery, at Pontiac, the 1st day of July, A. D. 1884, in a cause wherein Henry F. Meredith is complainant and Mary A. Meredith is defendant. It satisfactorily appearing to me from the affidavit of said Henry F. Meredith, on file, that the said Mary A. Meredith is not a resident of this state and that her residence is unknown, therefore, on motion of Silas J. Fenn, Esq., complainant's solicitor, it is ordered that the said defendant, Mary A. Meredith, cause her appearance to be entered in this cause within four months from the date of this order, and in default thereof the complainant's bill of complaint be taken as confessed by the said non-resident defendant. And it is further ordered that within twenty days after the entry hereof the said complainant cause a notice of this order to be published in The Birmingham Review, a newspaper printed, published and circulating in said county, and that such publication be continued therein at least once in each week for six weeks in succession, or that a copy of this order to be personally served on said non-resident defendant at least twenty days before the above time prescribed for her appearance.
