ABOUT DIVORCES

| TO THE PUBLIC, GREETING:
Boards of Health are now everywhere correcting the faults of sewerage and advising the people: to prevent future opidemics.
But other precautions are necessary, without which no amount of Sanitation can avail.
Dr. Koch says that cholera has but little chance among those who keep the digestive organs and the liver, skin and kidneys the sewers of the body if healthful operation.
Warner's SAFE Remedies are the best scientific Curatives and Preventives, and we cannot too much emphasize the importance of using them now, as a safeguard against any future scourge. | Much of the common aliments are caused, not primarily by bad blood, but by IMPAIRED LIVER AND KIDNEYS. This results in blood corruption and injury to the entire system. Remove this impaired action, and most ordinary alimening will disappear. Other practitioners have held that extreme liver and kidney disorders are incursible. We, however, by the severest tests, have unanswerably proved ine contrary. Please note:
FIRST.--WE DO NOT CURE EVERY KNOWN DISEASE FROM ONE BOTTLE. Warner's Safe Remedies are specifics, which have been successively put upon the market ONLY IN OBEDIENCE TO STROMS PUBLIC DEMAND. These remedies are: Warner's Safe Cure, for kidney, liver, bladder and blood disorders, General debility, Impotency, gravel, female irregularities; Warner's Safe Rhewaits Cure for Rheumalism, Neuralgia; Warner's Safe Pils for constipation, diarrhoea, biliousness; Warner's Safe Throatine for Asthma, datarrh; Warner's Safe Remedies are: Warner recognized as leading STANDARDS.

THRD.-After six years of unequalled experience, we give these unqualified guarantees: GUARANTEE II.--That Warner's Safe Remedies are pure, harmless, effective.

GUARANTEE III.--That Warner's Safe Remedies are MoT MERELY TEMPORARY, BUT PERMANENT

AND PRECISELY AS DIRECTED.

FOURTH. --Special inquiry among hundreds of our oldest patients results in unequivocal/
testimony that the cures wrought six five, four and three years ago, were PERMANENT. :most of these Patients were pronounced INC!
