

Birmingham Eccentric.

WHITHEAD & MITCHELL, Pub. BIRMINGHAM - MICHIGAN.

ABOUND A GREAT STATE.

Michigan Railroad. From the annual report of the State Com...

It is authoritatively stated that at the coming session of parliament the Canadian Pacific railway company will ask for further public aid to enable them to consolidate and develop the whole railway system of the maritime provinces.

On Sept. 1 a Commissioner Board of the pension office made a ruling ruling to allow applications for pension increases where the records of the war department showed that the applicant was a deserter.

The writer of a recent interesting work, "The World's Lumber History," states some striking facts. Among other things...

Richard Santora, a law student of Bloomfield, Mich., recently returned from a tour of the West and North West...

At the session of the national rabbinical convention of the reformist Hebrew church which was held in Detroit recently...

The last spike in the Canadian Pacific was driven on the 6th, at a distance of 2,935 miles of the Rocky range.

The Century for December will contain the fullest account yet published of the life of Mrs. Helen Hunt Jackson.

Lyman Abell, writing in The Century for November of "Danger Abroad" in our social and commercial relations, utilizes his thought sensitively when he says:
