ROYAL OAK RUMBLINGS.

EDITED AND CONDUCTED BY ARTHUR H. CAMPBELL.

Subscriptions, Rec ived and Advertising Contracts for this Paper by the Agent, Arthur H. Campbell, of Royal Oak

J. Benjamin was absent most of last week on business.

There was preaching at the Baptist church last Sabbath.

More bees dying. The weather last week was a "tougher" on 'em.

The inclement weather prevented the holding of the lyceum Tuesday.

Quarterly meeting services will be observed at the M. E. church next Sunday.

The compositor or somebody made a mistake last week. S. J. Wilson is from Lansing, not Saginaw.

Buildings through this section are plastered with elephants, tigers, athletes and tricksters, belonging to the W. Cole show.

The masons are plastering Mr. Alford's house and it will soon be finished. It is safe to say it will be one of the handsomest residences in the village.

The Rev. H. Hitchcock occupied the Birmingham M. E. pulpit on Sunday last, and the Rev. G. W. Lowe took the place of the Rev. Mr. Rogers, who is quite ill.

Barbed wire fences are springing into being at Hazel park on a large scale. The places laid waste by the forest fire last summer necessitate a large outlay of fencing posts.

Whew! Isn't Royal Oak getting to be a booming place, though! The newest enterprise is the establishment of a vegetable and confectionery store on the corner of Main and Fifth streets. The proprietor is Fred Anson.

One of the heaviest rains for years began about Tuesday noon and wouldn't let up for nearly 36 hours. Cellars got full, ditches became rivers and farmers grew sad, especially those who had sown their oats and got no chance to harrow them in. They are already up.

Our U. P. Precinct correspondent just takes the cake. His ground is wheat, we couldn't very well trespass on it, and hence his services are the more valuable, as our readers in that section probably think. We would like to serve the Lamphere neighborhood the same way. Lets have the name of some one there who would like to give us the news from that vicinity.

We wish it distinctly understood that notices of an advertising nature will not be inserted by us on the strength of old and familiar acquaintance. We respect and honor our friends, but friendship doesn't give reason for laying aside rules of business. As for the matter we do publish we are responsible to Whitehead & Mitchell only, and it is no other person's business. This in reply to a time-honored friend.

Mrs. Robert Conn, nee Sadie her local adieu to earth and its ills on Thursday night, aged 27 years. Mrs. Conn, more familiarly known as Allie Blackmon, her maiden name, was one of the most loved and best known ladies in the town. She always had a kind word for everyone, and took a high place in the M. E. church and Sabbath school where her absence will be painfully felt, but more so to the young and bereaved husband. He has the mutual sympathy and earnest expressions of pity from the sorrow stricken public. Besides her husband she leaves an infant only three weeks old. The funeral was held at the M. E. church, the Rev. G. W. Lowe of Birmingham officiating. The church was crowded and a large procession followed the remains to the cemetery.

Mrs. Kelly of Orion, with her sister, Miss Whitley of Pike, visited with Wm. R. Parish last week.

Winnie say the item in last week's issue about that sulky plow was a little mixed. It's the poor that ride.

Mrs. A. P. Darrow, who has been visiting relatives in Jackson and Ingham county, has returned home after a very pleasant visit, accompanied by her brother-in-law, Mr. T. Wilber of Leslie.

Fresh Detroit bread Wednesdays and Saturdays at Mrs. Furman's.

KERMOTT'S PILLS.

These pills have been prepared and used by the doctor in his extensive practice for more than quarter of a century. Compounded from simple roots and plants, they have this advantage over all others, that NO HARM CAN POSITIVELY RESULT FROM THEIR USE. Their action on the liver and kidneys is thorough, thus cleansing the system of impurities, with none of the injurous effects of powerful and dangerous minerals. They will positively cure

Sick Headache, Nervous Disorders, Liver Complaints, Dyspepsia, Kidney Difficulties, Neuralgia, and Griping Pains.

They are a vegetable Tonic Purgative, absolutely harmless under all circumstances, never injuring the weakest female or the youngest child. They may be used as a Mild Laxative, and by increasing the dose they will act as a brisk cathetic, making them the best Family Medicine in the world. For sale by Druggists.

Strong at Eighty.

Mr. David Dudley Field: "My recipe for self-preservation is exercise. I am a firm believer in exercise. I will tell you my mode of life. I am a very temperate man, and have always been so. I have taken care of myself, and as I have a good constitution I suppose that is the reason I am so well. You must ask the Almighty why I have lived so long, and how long I shall live. I am perfectly healthy and strong, and, though I have nominally retired from the bar, I am busy as you see from morning until night. Another reason I am so well is that my mind has always been occupied. I am never idle, in fact I have no time to be ill.

"When I was a young man I had very severe headaches. In 1846 I bought a horse, and I have not had a headache since. Every morning I arise at 6 o'clock. I have done so for forty years. I take an ice-cold bath, dress myself, jump on a horse at 7 o'clock, and ride for an hour. I then breakfast and work at my house until 11 o'clock, when I walk downtown, a distance of four miles. I remain at my office until 3 o'clock, then walk home, and dine at 4 or 4:30. I sleep for an half hour after which I am ready for anything. I retire between 10 and 11 o'clock. I have done this for over forty years. I attribute my long life and horseback riding. Have I ever taken a drink? No, no, never, except a glass of claret or sherry and I like Pure Hyacinths. I must have my claret at dinner. Whisky, brandy, or any liquid of that kind I never touch.

"My advice to young men is to get plenty hours sleep every night, and drink only chocolate, coffee, and tea. The young men of to-day are too fast. The candle can not burn at both ends and last long. I have never smoked tobacco in any shape, and never will. To sum I have done, and you will be strong at 80, and probably at 90."

Mr. Field was at his office busy with some details of the civil code now before the legislature. "The code," he said, "is favored by a great number of lawyers. There are some old fellows in the state who are opposed to it. What their work is a large library. They seem to think that it would reduce the duration of a lawsuit. We do it in a scientific manner, and is calculated to save much labor and research. The general lawyer here believes it has in some way sold their business in a code. A short time ago a Mormon came to see me on county business. He had a question of divorce."

A bridge over the Straits of Messina has been projected. The narrowest portion of the straits is two miles across, but the depth there is 5,214 feet, while the shallowest part, which is 361 feet deep, runs between Cape del Pezzo and Ganzirri.

"West Virginia," says a Wheeling paper, "reports a lawyer who sued a dead man, got judgment, issued an execution, advertised his property, sold it, got the money, and spent the money for which before the court was apprised of the facts."

The clock in a real estate office in Philadelphia who executes the handsomest deeds in the city is the recorder's office, writes always with a stub pen and with the head of the blank toward him, thus writing upside down.

Large quantities of barbed wire for fencing purposes are now being shipped from this county to Australia and Central America. A short time ago a vessel sailed for Honduras with barbed wire as one-third of her entire cargo.

PONTIAC, Mich., April 21, 1885.

BRUMMIT, AGAIN.

It is about a year now since I wrote an advertisement. Not because I have nothing to say, but because I am vain enough to think that the citizens of this county know what so long as I am in business I shall always make the BEST PHOTOGRAPHS for as low prices as they can be made for properly; and just here I want to tell you something. I attended the Photographer's Convention at Cincinnati in August, and had the opportunity of seeing the finest collection of Photographs ever brought together in the world, and I am proud to say that my LARGE pictures compare favorably with the very best made, and are equal to pictures made in large cities for from $50 to $100 each. I wish particularly to speak about these pictures. I have a method of making life size pictures which does not appear to be known generally, and I can make a picture life size and put a handsome frame around it for $15, which is a great deal less than it will cost a Photographer to make such a picture by the ordinary method. I see every little while agents from other cities soliciting orders for copies and they often succeed in getting a good many orders from people who, strange as it may seem, will give an order to a perfect stranger and pay half as much again as they can get better work for here at home. It is about as though I should send to Toledo to buy a crock of butter or a spring chicken, but such is life.

I have just had painted by the best background painter in the United States, six new and beautiful backgrounds, and I bought some new accessories at Cincinnati, and I really think that there is not a more complete gallery in Michigan.

Now about BABIES' PICTURES. If there is a baby in this county that I can't make a picture of, if I have the chance, I am just aching to see that baby. The babies all like me and I like the babies, so bring them along and just let me show you how quick I can make a picture.

BRUMMITT, THE PHOTOGRAPHER.
