There are Women

as Female Complaints, yet who still need Zoa-Phora.

When a woman has been working about the home, or sewing, teaching, taking care of children, or of sick ones, until her nerves are all unstrung, and she feels as though she would fly to pieces, and everything irritates and annoys her, a dose of

Sleeplessness is cured by Zon Phora.

For Sick Headneke there is not a more reliable preventive and cure than Zoa-Phora; it works like a charm, in many cases where everything else has failed. And any woman who does suffer from any of those complaints peculiar to her sex,

any of most companies peculiar to her set, should not delay a day to use Zoa-Phora. Our bobk on diseases of women and children, should be read by every woman, especially by mothers of daughters.
