TROY TWINKLES.
The town lines came down on Saturday to play the Troy Tigers and beat them 29 to 6.

George Clark was two loss boxing wells. The one at the horse is 63 feet deep and flows a half-inch stream of pure cold water. The one at the bridge is 75 feet deep and flows a three-quarter-inch stream of excellent water.

The Rev. Thomas Nichols is a very loud speaker and people who do not go to church on account of doctrine, can get there and they will be able to understand the sermon.

Mr. Ira Johnston has sunk a hundred-barrel cistern.

Wm. Lalik will leave the farm of B. G. Stout.

TOWN LINE FOOTINGS.
We went over to Troy last Saturday to witness the third game between the town line Nine Spots and the Troy Tigers. The game was not as well played as the previous one and as the weather was too cold for ball playing it made the game rather uninteresting as compared with what it would have been had the circumstances been more favorable. The presence of a number of ladies was quite acceptable and caused the boys to play rather better than they might otherwise have done. The following is the score as far as played:

Results.
Troy..... 2..... 3..... 2..... 3..... 1.....
Nine Spots..... 1..... 1..... 1..... 1..... 1.....

With very little training
Or craves to kick his feet
Sink, sink, sink,

An Old Proverb Circumvented.
The most interesting of all the theses ever worked. You remember the old saying about the bottle?

"You see you can't get more out of a bottle than was put into it."

First-class Single and Double Rigs.
I have recently purchased for my Undertaking Business at considerable expense from Troy the improved Caskets for preserving the dead. This method keeps the face from drying contact with the remains and does away with the old way of embalming, poisoning and mutilating the body.

DRY GOODS & CARPETS.

THE BEE-HIVE.
Near Court House, Pontiac, Mich.
To all who study economy, our Remnant Dress Goods, Table and winter dresses of very superior quality and at low prices are shown on them. In fact, to many they are a source of pleasure and delight, so low are the goods remaining on them now offered.

The Ladier's white muslin ready-made Underwear supply still holds out, and the 15, 25 and 50 cent Garments offered are a marvel of cheapness.
200 more of these Ladier's large ready-made Nightgowns as low as they last at 50c each, which is hardly the price of the bleached cotton in them, saying nothing about the making.
