slipped, falling on one of the steps with both kness. He was taken to the Homopostalle hospital, where it was found that a portion of his right knee-cap was fractured and the tendon of his left knee broken. The surgeons at the hospital resolved upon a new departure of treating wiff points. As in-mining about two inches square was made just above each knee. The ends of the tendons were gathered and fastened to a curred silver wire. Met have been decided to be a surgeon and part of the standard of the standard in the silver and bound route the soles of the patient's feet. His legs were kept abouted; stiff and this kept the tendons and knee-joints area. The ends of the tendons were about the soles of the patient's feet. His cap the tendons and knee-joints area. The cost of the tendons were about the soles of the patient's with each of the tendons are an experience and all the

ment, and all the interest in the development of the case in consequence. It was discovered to the case in consequence. It was discovered to the case to be successful the venture was good to be successful the venture was good for the case of the

women as much liberty as he we'r di When leaving the hospital one of aurgeons presented McGill with a ci to assist him in walking. On Sature, he met the surgeon and sakii. "Gibless you, doctor. I don't need to cane now, but when I die I mean have it placed in my coffin beside r body."—Pittiburgh (Pa.) Commerc Gazette.

Burden-Bearers of Moro

which here shares with those other pa-ient creatures, the ass and the camel, the bearing of all burdens. If you walk along the bay at Tangier (which, by the way, is one of the most splendid strands maginable), you would meet droves of women, each carrying enormous bun-dles of grass or charcoal for market; the halk covers their heads and their burdens, the sugarder of which is usually wife, and daughter, in which cas is generally a donkey who share oads pretty fairly with the two li except that he has the furthe egges of carrying their mutual lor master, who sits up between the woven baskets with a dignific mmedan usages would resent it. I nk I have only once seen a country man riding white one of the nobler twalked, but in this case she was evily too old to get home otherwise. Cornhill Magazine.
