Multitudes of young men are now
icapital to come to this city by the adverticements for clerks, book-keepers,
eslesimen, and other help, most of
which is a mere decoy. The clipket of
the advertisers are to face the unwary
and they find their most facility victims of
the sound they find their most facility victims
of some of these decoys.

"A first-class alicensis of pleasing
address, who can loan \$1,000 on undoubted security, is wanted to solicit
orders for an established time. Salary
\$100 per month or a liberal com
mission. Address Business, tow—
office. We have got the carpet trade of Oakland county and are bound to keep.

Over 600 yards sold in the last six weeks, and receiving orders daily.

STOVES! STOVES! And why? Because we have got over one hundred samples of the latest styles and patterns, and are selling at a price cheaper than any house in Michigan. You have no old accumulated stock to select from.

# No Remnants to pay for,

as there are always Remnantsleft in cutting from the roll and it is charged up to you. No freight or express charges,

You pay for the actual amount of Carpet you buy and no more. mission. Address Business, tow—
"A partner wanted with \$19×. As clusted young man in the auction, real evairt, and store agency, letting and collecting routs. Apply to P. G., auctioner, —Bowery."
The sole object of the advertiser is to get posses-ion of the victims, and as this can not be done in a direct to get posses-ion of the victims, and as this can not be done in a direct. The spellicant finds the "business most is another where books are shown to prove the profit of the proposed transaction, but after the misony is policy and does not take more; than a day or two refeals the framil. Every solicar that the victim has invested is lost, and when he applies to the policy office with the profit of the protection of the profit of the protection of the control of the profit of the protection of the control of the cost of the work of the cost of the solicy are profit of the cost of the solicy are profit of the cost of the solicy are soliced as a securing daily, and this will consume as long at the supply of green-heres is unexhausted. In the solice of the cost of the cost of the solice of the cost of the cost of the solice of the cost of the solice of the solice of the cost of the solice of the cost of the solice of the solice of the cost of the solice of the cost of the solice of the solice of the cost of the solice of the s
