BIG BEAVER BLIZZARD,

successful Bessilt of the Harardous Operation of Intestinal Resection. The case is not only of interest because of its biddness and the exceeding discopy with which it was carried through, but also because surgery, in this instance, tramphed over nature in a remirchable manner, and for the first time in America socred a success in an operation of the kind specific control of the control of the high specific control of the control of the

The special sales at the Beehive (John Pound's store) make that popular resort boom, and any fine day it is verily a hive of busy bees. So great are the attractions on the special counters in dress goods, silks, velvets and satin remnants that the whole lot will soon be gone. The underwear, white goods, embroideries and corsets are receiving a good share of attention. The other remnants on the front table are equally good bargains, and from the nature of the goods, needed in households daily. Call and geta share while this grand distribution is taking place, viz, until and including March 27 only, at the greatly reduced price now prevailing there.
