

FARM AND HOUSEHOLD.

Temperature of 62 degrees.

This should be noted by the thermometer...

Mr. E. H. Thayer, of the Farmers' Commission...

A Rhode Island correspondent lately submitted...

Some of the successful wheat growers in Pennsylvania...

Several decorations for churches, the most uninteresting...

The crops should now be white with during spare hours...

Our County Hives, it is a fact that a farmer will frequently spend money...

Among "mistakes" on the Iowa Homestead...

It is a fact that a farmer will frequently spend money to provide a useless dog...

From the "Happier Traveller," One of the tourist's misdeeds within a few days...

Behind the altar there was an ugly man in a black coat...

It is a fact that a farmer will frequently spend money to provide a useless dog...
