

\$10 REWARD.

The above reward will be paid for information that will lead to the arrest and conviction of the person or persons who completely ransacked a boat belonging to M. G. Shutes, on or about June 14, 1899; said boat was on Walnut lake and was shipped with an ax.

BIRMINGHAM FISHING CLUB.
The malicious disposition is evident in the destruction of an ordinary fishing boat and is more despicable from the fact that for 12 years the club of Birmingham fishermen have annually deposited fish in all the lakes within nine miles of Birmingham, and upon the same day the boat was destroyed 200,000 young pike were deposited, and M. G. Shutes went personally that day with a member of the Michigan fish commission and made the plant in Walnut lake.

About one year ago L. B. Peabody had a boat bored full of holes on Long lake. Now the fishermen of Birmingham are an incorporated body. They can prosecute and be prosecuted and the penalty for destroying a boat is 15 years imprisonment, and the club proposes a fair and square deal, to continue planting young fish for the benefit of the public and ask that their property be respected as they respect others.

L. B. PEABODY,
President.

A CARD.
All persons indebted to the Clawson mill will call and settle by cash or note on or before July 1, 1899. All accounts contracted previous to January 1, 1899, after July 1, next.

Farmers are shortening and raising their wheat at a fair price. It is rather lighter and a better quality than last year. The prices are from 25 to 26 cents. We understand Mr. Grinnell has sold his large clip at 30 cents. Nothing like the best first-class stock.

George Lamphear has been quite sick for the past week, but is now on the gain.
