

**GRAND EXCURSION AND FELLOWS TO BOSTON.**

The Sovereign Grand Lodge holds its next session at Boston, commencing September 20, 1886.

The Chicago and Grand Trunk railway, the Detroit, Grand Haven and Milwaukee railway, and Michigan Air Line, and Detroit division of the Grand Trunk railway, have made ample arrangements for the accommodation, comfort and convenience of all desiring to attend. The round trip rate on this occasion will be \$13 from any station on these lines. Tickets will be sold under the following arrangement:

To Old Fellows and their families, presenting certificates issued by the Order, round trip tickets will be sold to one more person.

To the public, non-members of the fraternity, tickets at the same rate per passenger, but confined to five or more persons traveling on one ticket, will be sold.

Tickets sold only Sept. 18, 1886, good for continuous passage, and not valid for return journey unless stamped at Boston prior to October 2, 1886.

Canton Expelior, No. 7 P. M., of Chicago, in running their special excursion trains over these lines, have arranged so that all the Old Fellows from the west and north-west will converge at Niagara Falls, Sunday morning, Sept. 10.

The special train which carries Canton Expelior, of Chicago, over the Chicago and Grand Trunk, en route to Boston, will be accompanied by all the Grand Representatives from the west and north-west. Over sixty-five have already accepted the invitation of Canton Expelior to accompany them to Boston on their special train.

This train will also carry all the Patriarch Militant of the west and north-west accompanied by a band of thirty-one persons.

For details of routes of tickets, and for time table of special excursion trains from Michigan and Indiana points, or for any further information required, apply to any agent of these companies.

**DRY GOODS & CARPETS.**

**THE BEEHIVE.**

Near Court House, Pontiac, Mich.

To all who study economy, our German Dress Goods, Tables are very attractive. Many other patterns for ladies' and children's fall and winter dresses of very superior quality and at low prices are shown on hand. In fact to many they are a source of pleasure and delight, so low are the goods remaining on hand now offered.

The Ladies' white muslin ready-made Underwear supply still holds out, and the 15, 25 and 50 cent Garments offered are a marvel of cheapness.

200 more of these Ladies' large ready-made Nightgowns as long as they last at 50c each, which is hardly the price of the bleached cotton in them, saying nothing about the making.

**TOWN LINE FOOTINGS.**

Miss Jeanie Bacht is visiting friends here.

Dennis and Archie Patch spent last week pleasantly with Blanche Loet of Franconia.

Moss Shag and wife Mrs. Blair are all ailing. Mrs. John Shug still continues in a critical condition.

Our Sunday school opened at Orchard Lake Wednesday. Pined to the kindness(?) of a certain lady our attention; these remodeled rather embarrassing. Our Sunday school has no advent of being obtrusive.

The town line club played the Troy team Sunday. Troy, 7; Town line, 20. The umpire was from Troy and he was worthy of the three cheers given him. One of the Hungry 9 told one of our boys that they were all half full when they played here. Glad to know if that was what ailed the umpire.

**DEATH BURLINGS.**

**COURT LINE FOOTINGS.**

John Licht is boring a well.

Kluge's of Pythias has organized a lodge at Corcoran.

Wonder if the man in Troy has succeeded in getting any raw fishmen to dip for him. If he has not, we know several half-bred fishermen who would like a job, but we don't think they would know to put in a line.

Feed Moore has traded his trotter to B. Chapple.

Feed Banks rejoiced over the birth of a son.

In the spring time when the birds were singing, a traveling physician came along and told a couple of old Germans that he would cure them for \$50; if not cured in that time, he would give them \$1,000. Of course a written agreement was drawn up to that effect and signed, and not long since they received notice from a Detroit bank that held their notes for \$150 each. When, when will the numerous farmer learn not to sign papers for strangers! Answer, never!

Charlie Lesty sold Jim Beattie a fine driving horse last week.

My house and lot on the corner of Fremont street and Southfield alley, containing about two acres of land, with barn, fruit and other conveniences. This will be sold very low and time given.

I also offer for sale two lots on Brown's plat. These are very desirable with the room for two good buildings. They are located opposite M. K. Taber's park—one of the best locations in town.

Also the house and lot of about two acres, of the late Joshua H. Alger. This property is first class, located near the depot, large brick house, barn, fruit and ornamental trees.

Also the farm of the late Joshua H. Alger, containing 100 acres, located in the township of Troy, 2 1/2 miles from the village. This is one of the best farms in Oakland county, well watered, fine timber, good fence, plenty fruit of all kinds, large house and barns and all kinds of land in a high state of cultivation.

I will open a branch in Pontiac, corner of Auburn ave. and Saginaw street about October 12, where the same quality of work will be made as in Detroit. Open after Christmas only Fridays and Saturdays.
