

**COME ONE, COME ALL**  
 and see the elegant holiday stock we are putting in. As an inducement to buy in your own town, we will give away a Xmas eve, a lady's gold watch and case, a silk plush cloak and a mammoth doll. With every 25 cents worth you buy in our store we will give you a numbered ticket and three of these numbers will capture articles. All square. Another case of hats from New York.

**BRAYTON PLAINS.**  
 Our elder mill has ground 15,000 bushels of apples this season. John Birge made a two weeks visit to his brother George in Kansas. The prospect is that we will be here to have several cottages built for next summer's use. John Southard of Pontiac is the man who is to furnish the money.

The company that has bought land on Watkins lake have had a fine avenue cut through it, the underbrush thinned out, and a more beautiful spot can be found in Oakland County. A. Biglow of this place is one of the owners. The Pontiac Asylum has leased a piece of land on Watkins lake and is going to put up buildings and beautify the grounds. This site is about one mile from the grounds that I have just spoken of. They have put on a steamer on the lake and built a boat house. They will make a road their grounds that will be about one mile along the banks of the lake.

We read an article in last week's Eccebric speaking of Mrs. E. S. Leggett's articles about Bryant. We showed it to Mrs. Leggett, who is living at this place with her son, and she says that she would be very happy to give the Claretanque club any information about Bryant that she possessed.

**WARRIOR AFFAIRS.**  
 A good many people of Warren think that the Warren correspondent for the Eccebric is dead. It is a mistake. He is alive and well and in hopes of doing a long happy life. Have you made your guess on the stove at Beebe & Osborn's? If not you should do so before Christmas eve. The book-woman has just arrived from Sanitar and if Mr. Barton wished to leave his gate he had better put it in his barn under lock and key. Mr. Osborn will soon have his house completed. If Mr. Golden sees his store what will the ladies of the M. E. Church do when they give their social, or other parties, etc. If the people of this town would follow Mr. Osborn's example they would soon have good sidewalks all over the town.

**Their Business Booming.**  
 Probably no one thing has caused such a general revival of trade at Whitehead & Mitchell as their new stock of goods. They are now carrying more than 200 different styles of goods. Their new stock of goods is so complete that it is not surprising that they are doing so well. They are now carrying more than 200 different styles of goods. **THE ALLEGER ORGANS.**  
 A large number of friends met and surprised Henry and Volney Miller last Friday eve. It was also an outer supper and at a late hour the friends dispersed, saying they had a good time. As Mr. Carey and Miss Sadie Thomas were returning from Detroit last Saturday night, the horse took fright near Mrs. Thorpe's and three of the boys. The buggy was badly broken and Miss Sadie received a most serious cut in the forehead from which she is recovering. A member of the young people had a candy pull at W. White's last Friday evening. Candy and hot drops were plentiful and some of them went home weary and happier for having gone.

**OH! MY BACK!**  
 Mrs. Revell of Beacomont is visiting her daughter, Mrs. Adrian Gibbs. Her social held at Dr. Woodruff's last Friday night was a grand success. The company was well entertained by the Doctor and his amiable wife that the star of Bethlehem had shone in the east before the last guests took their departure.

**THE LECTURE COURSE.**  
 The first lecture in this course was held in the M. E. church on Wednesday evening, November 9. Rev. E. B. Fairchild, Subject, "Thirty-three Days in Rome." To say that the audience was delighted is to find an expression. Although the night was dark, fully 450 braved the elements and were present to hear the lecture. It was simply grand and the word pictures presented to the listeners are equalled but seldom exceeded, and the universal decision of all who attended is that the Birmingham Lecture course and participation in Wednesday's joy, send forth the greeting, "We are a success."

The second lecture will take place at the M. E. church, Wednesday evening, December 7. Rev. G. F. Hunting, Subject, "Keyboard and Ballows." There are about twenty who have subscribed for season tickets not yet paid and the managers earnestly request all delinquents to call on Whitehead & Mitchell and settle.

**CLAWSON CULLINGS.**  
 Miss Nellie Buell is home from Pontiac on a visit. The infant child of Mr. and Mrs. Arthur Groves died last Sunday morning. Color is going to start a cheese factory. It was simply grand and the word pictures presented to the listeners are equalled but seldom exceeded, and the universal decision of all who attended is that the Birmingham Lecture course and participation in Wednesday's joy, send forth the greeting, "We are a success."

**BRACE UP.**  
 You are feeling depressed, your appetite is poor, you are bothered with headache, you are nervous, and generally all out of sorts, and want to be happy, but don't know how to get it. Buy a bottle of Dr. Williams' Pink Pills for Pale People, and you will be happy again. It is a most reliable remedy and is sold in bottles of 50 cents and \$1.00.
