

TIMELY LESSON.

It was all McAllister's fault. In his extreme anxiety to serve Mand... to consider Godfrey's interests.

"Well, then, would you be very much offended, if I should ask you to permit me to make a sketch of your portrait?"

"I have a very good sketch of you already made," said Mand, "and I can send you a copy of it."

"I have a very good sketch of you already made," said Mand, "and I can send you a copy of it."

"I have a very good sketch of you already made," said Mand, "and I can send you a copy of it."
