

Rational Soliloquies of a Young Man.

soliloquy this time
... I'm sure there must be something about these Highland braves that nourish...

... I suppose this is what Mr. Cuppy called a "London partitioner," but with all due respect, I don't think London...

... I think I'd better catch up on the guide book, and that reminds me...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

THE GREEN-EYED MONSTER.

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

THE GREEN-EYED MONSTER.

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

POST-BELLUM INCIDENTS.

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...

... I'm sure there must be something about these Highland braves that nourish...
