HOME NOTES.

PERPETUAL NOTICE: You will please notice date after your name on paper and acceptor, this tells you when your subscription expires.

VOLUME X, NUMBER 1. Didn't miss the show, did you? Men's fancy shirts \$1 at V. Nixon & Co's.

Really made a great success, a bargain, at Corson's. The Grand Truck railway pays Barum \$10,000 for killing bug.

Arthur Kirk of Pontiac drove the last horse, Moses Hayes, at the cattle sale week. Saint Ste. Marie has six railroads centering through Pontiac. One will be counted soon.

Physicians' prescriptions and family recipes carefully compounded at Whitehead & Mitchell's. Lafayette O'Dell has got the Kansas fever, and gone to Wichita to grow up with the country.

We are glad to learn of the comparative convalescence of Mrs. B. A. Thorne, after a serious illness. Mrs. L. Grosvenor of Worcester, Mass., has been the guest of Mrs. E. H. Wooster the past week.

A. E. Collins, wife and daughter of Rochester were in town over Sunday, the guests of Mr. F. Ford. Wm. McFarlane and a young son, former residents of Franklin, were killed in the recent cyclone in Texas.

Miss Millie Shain commenced her school in Southfield on Monday last. She is a popular and deserving teacher. Mr. J. Stone has concluded that banking won't pay in Rochester and will not start. Say, Jay, come over to Birmingham.

Thomas Wyckoff has traded his farm near Walnut lake for the Lonsie farm near Daviessburg. Mr. W. now has one of the finest farms in the county. Fred Johnson of Southfield visited some one in Birmingham Sunday afternoon and evening. Wonder if he got home.

Levi Wooster and wife have moved to Maple Rapids, where Levi will buy stock let his money out at 10 per cent and grow more wealthy. Good for Levi.

lot on Willis street for G. H. Mitchell, who has two Bookman overhauling it. It will be soon in its renting condition. Mr. George Camp of Marshall, Mich., notified to leave the W. H. Camp of this place, died at his home last Friday. Mr. Camp was well known by a number of our citizens who remember him as being a pleasant, genial gentleman.

Mr. Robbins, sr. of Big Beaver was run over by a horse driven by R. Mitchell, the wagon-maker. In turning a corner suddenly he was unable to hold his horse and caused the accident. Mr. Robbins is seriously injured, but we trust he will soon recover.

The present number commences the tenth year of our existence and we sail into the future without a doubt as to our ability to keep on and upward, and when we reach the end of the decade we will stop out and surprise you. In brief you stick to us and we'll stick to you.

Abie Jones, J. F. Randle's right brother, has gone to England for Jule and will bring back 25 to 30 of those celebrated Hampshire and Shropshire sheep that have made Jule so well known all over the state and so rich, vastly rich.

Three thousand rolls, all grades wall paper at lower prices than you have seen at Corson's. The sluggers of Detroit and the Indians will open up the Erie ball game in Detroit to-morrow. Excursion on the D. G. H. M. R. Fare for round trip 25 cents. Train leaves Birmingham at 7:55 a. m., returning leaves Detroit at 6:30 p. m.

Frank Blakelee and Frank Durkin went to Detroit the other day—dure in. Nothing strange about that, but they were both very anxious to have codfish for breakfast. Why? Because it would make them think—good reason to stop often for a drink.

Edith M. Clark of Royal Oak married John M. Todd, March 7, 1885. May 22, 1885, Edith would have presented John with an heir had he been present, but after a 10 days' fast she desisted and refused to supply the necessities for his family, and now a divorce is applied for.

Japanese social at Mrs. Cromwell's Wednesday evening, May 11. Japanese wedding and Japanese supper. This is what the young people of the Presbyterian church are making preparations for, and the entertainment will undoubtedly be instructive as well as interesting. Collection at the door.

J. C. Merrill and family have removed from Birmingham. They have stored their household effects for the present and the family will spend the summer at Grayling with Mrs. Merrill's parents. We are sorry to lose so genial and hospitable a family and they will be greatly missed by their numerous friends in this vicinity.

Do you remember? Only one place in town where coffee is roasted fresh every week—at Corson's. G. A. Watkins says the Stewart farm is like a man who has run wild in the woods for ten years, unbarren, unburnt and unwarmed, and when you begin to reconstruct him you don't know when to let up. Mr. Watkins is the right man in the right place. He has an abundance of the "kisses of war" and will make the farm a credit to himself and the locality.

Rev. H. Hood has been severely afflicted with a large swelling on his left knee, filled with joint water. Several remedies having been tried without the desired result, a painful surgical operation was performed by Dr. Campbell on April 28. Since which time he has been confined to his bed, but hopes are entertained that he may be around again in a few weeks.

The Whitney family show held forth last Friday night and they were greeted with a warm and hearty reception. This show needs no recommendation from us, as Mr. Whitney's reputation is already established. We are sorry to spend a couple of hours in your meridian, don't miss the Whitney family show when it comes your way.

We have no hesitation in saying that in our opinion Wm. H. Smith, of sawmill fame, has the neatest and best carpenter in the state. We've been around and seen it and know where we speak. About 500 of this beautiful specimen of fish are in a body of water covering nearly an acre and from one to fourteen feet deep. It is a trout to be proud of. They are quite tame and easily approached.

The largest fish of Men's, boys' and children's hats at V. Nixon & Co's. On Monday last at Allen Simonson was breaking a valuable 2 year old colt, the animal became unmanageable, got away from him and ran into a barbed wire fence along the road on Ed James' farm, and leaped himself in a frightful manner. Dr. Brodie of Pontiac was summoned, took up the severed arteries and the colt will live, but will probably be crippled to a certain extent. Mr. Simonson had refused \$200 for him repeatedly.

Fresh bananas, oranges, lemons, figs, prunes and candies at Corson's. Wonder if the following item refers to the old Alhambra who used to read his papers upside down and fiddle for the boys in Pontiac? Charles Fish, a musician of Saginaw City, was arrested Monday on the rather unusual charge of trying to take his own life. He had made all the arrangements to hang himself when he was discovered. He said that he was the only way he knew to end his domestic unhappiness. He is 50 years old.

Dr. A. Bradford, wholesale paper dealer at Chicago, Tenn., writes that he was seriously afflicted with a severe cold and cough. He was unable to get on his feet and was in a very weak condition. He was advised to try Dr. King's New Discovery for consumption, did so and was entirely cured by using a few bottles. He writes that he has used it in his family for all coughs and colds with best results. This is a good medicine of a severe cold and cough. Mr. Henry W. Randall wishes us to correct a mis-statement which appeared in last week's issue, wherein we made mention of James Casey's additional purchase of the balance of the property on Pierce street. Henry comes out in card and says "in plain English it is a D—ly and that Casey only paid him \$125, he giving off \$25 on what he had paid on the place." Hope this is satisfactory.
