

A VIVID ILLUSTRATION.

Who Maketh the Clouds His Chariot.

Tempest Powers His Own Power of Lightening Into the Clouds and Struck Every One of His Attendants...

After expressing admiration of the description, the Rev. T. W. Higginson, D. D., asked the Rev. J. P. Taylor...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

These are the clouds which have been made to rise from the earth...

YELLOW JACK.

And its Antiseptic Microbe Present on the Air...
