## The Stained Opal.

It lay on a bed of white relevit in a triangle of the control of t

the name is inside."

She tried to draw the ring from her finger, but it refused to come. Ethel smiled.

amiled.

"How easily it went on! And I suppose I shall have the use soap and water
to get it off as.

But the ring reasted even the infinimaces of soap and water. Fresty Ettel
gazed at it in comis dismay.

"This is a fir!" she axid, aloud.

"What my dear?" sa d a quiet voice
from behind.

from behind.

And Aunt Ellen, who had entered
unobserved, came to her niece's side
and gave utterance to an exclamation
of horror at sight of
with soansuda.

of berror as sights of Black Shankhood which shows the Opal ring, dripping which top-male. We cannot be only the opal ring, dripping which top-male with the opal ring, dripping which top-male will have been dripped to a possible of the opal rings, and the opal rings and rings
