Roe will have a charm for his ad-ra, since it was the last work of his-erful mind. "Marvin's Faille" by k. King is one of a set of charming es of U. S. A. life and army people. for them at the ladies library.

Great heavens! this from the Pontiac Democrat: Now that the Indian show has gone that Pontiac lawyer will have the find some other entertainment for that Bioomfeld farmer's wife. He bet-ter look a leedle out. That farmer may gunning one of these fine mornings, injone who will trade, barter or take aniage of the commutation tickets ad by the D. & M. rallway is deserv-of great censure. One man of this ne will find himself out his ticket and; h no hopes of buying another, if be-mulates any more on his pasteboard.

that street are for Harrison, and Morton. The Pontine Gazette-says Politically, Henry Grinnell is runsing an indepensent party, and will raise a pole and place at the mast head an easign of his own. The pole is hickery and painted red and at its top floats a streamer; at the base is the stars and strips, the rest is black, on which is a shull and cross beness and a ram's head, with the words "No Fusion Here." The ensign is anti-free trade.

The bearn of Charles Moore 13 miles easi of this village was destroyed by fire, with its contents on Tuesday aftermoon last, 1,200 bushes of oats being consumed. We understand there was no insurance. The fire was caused by a bonfire which the little boy built near the straw stack. Mr. Moore has the sympathy of the community.

sympathy of the community.

The Detroit M. E. conference made
the following appointments: Birmingnam, John Hamilton; Charlston, H. W.

One day last week O. Poppleton met

Metamora, F. G. Wright.
One day last week O. Poppleton met
with quite an accident. While they
were unloading the democratic pole in
front of his store, he sat upon the small
end with several others and when the
other end was unloaded from the trucks
the small end flew up and threw them all
off, Mr. Poppleton falling about six feet
and striking full length was completed.

Miss Eva Sloan of Troy has secured the school in district No. 4 of Avon to lease this winter. At her examination he passed an average of 20 per cent.—a way good average indeed. If you go to the fair this week make the Waverly House your headquarters, and you will near regret it. Everypholy knows George Hicks and further commets from saw unnecessary. Rev. S. A. Long has been called the pasterate of the Congregate on church at Cooper, Kalamanoo court whither he has gone accompanied by the best wishes of his Franklin friends. Dily ou know that J. S. Stockwell store is parked chuck full of new fail store is parked chuck full of new fail and winter goods? Joe's new aslet in the city was soon and if never lees. Don't one of the december of the different force in three mouths' visit with relatives at Providence, R. I. Sheeken, the second of the

prefer yellow jack.—W. B. McCop in the Orion Review.

It The Clereland and Thurman club of this place celekrated last Tuesday to quite an extent. In the afternoon, without any extra fusa and feathers, a they erected in front of O. Poppletony's dorse amagnificent hickory pole over ylbo feet out of ground, and floating to', the store a magnificent hickory pole over ylbo feet out of ground, and floating to', the the county are they for the tallet yellow the county are to prove the pole of the tallet yellow and stripes; next comes a 25-fort bunting streamer, 12 feet wide ye'xt to the pole, tapering almost to a fortin 25 feet away, with large portraits/of Clereland and Thurman and their years en in large red and blue letters, showing alike from both sides. This is ynot all. Underneath floats the name/of the union can be considered to the county of the prefer of the county of the prefer of the policy of t
