## PIANOS AND ORGANS

AND THE JUSTLY CELEBRATED

## SCHUBERT PIANO.

### Its Musical Qualities.

### Materials Used.

The utmost cars is given to the selection of the best quality of materials for the Schubert Pianos. Special attention is called to the actions used in the Schubert In the construction of a plane on onling is of more importance and these are unsurprased by any in the market. In the cases, only hardwood is used and that of the best quality.

### How Made.

Every practical improvement known to modern piano construction has been astroduced in the Schubert, and it will be the aim of the company in the future ocentantly add to the character of its instruments it by pursuing the aame 110 remains policy, and thereby produce a piano thoroughly constructed, attractive in opperance, brilliant in tone, and reaconable in price. Its mundarture is under the numediate supervision of the President of the company—himself a practical and preprinced plane maker—and no detail of construction or workmanship secapes.

### Reasonable Price.

In the Schubert Piano more is given for the money asked, and finish, than any other piano in the market.

We also handle the celebrated

astrument which needs only to best een to be appreciated; an instrument made on very best materials and no sham; an instrument fully warranted and one that lift fully warrant conselves. All our Planos and Organs are warranted for five by the manufacturers and ourselves. Instruments sold on time. Easy pay la. Call and see as before burjug.
