PIANOS AND ORGANS

AND THE JUSTLY CELEBRATED

SCHUBERT PIANO.

Its Musical Qualities.

Materials Used.

The utmost cars is given to the selection of the best quality of materials for the Schubert Pianos. Special attention is called to the actions used in the Schubert. In the construction of a joint on orbiting is of more importance and these are unsurpassed by any in the trarket. In the cases, only hardwood is used and that of the best quality.

How Made.

Every practical improvement known to modern piano construction has been futroduced in the Schubert, and it will be the aim of the company in the future to constantly alot to the character of its instruments by princing the same progressive policy, and thereby produce a plane throughly constructed, attractive in spearance, brilliant in tone, and reasonable in price. It is mixed-turn is under the immediate supervision of the President of the company—binself a practical saw superfected plane maker—and no clearly of construction or workmannish; escaped

Reasonable Price.

n the Schubert Piano more is given for the money and finish, than any other piano in the market.

A LIFE LESSON.

There: little girl; don't cry!
They have broken your slate, I kr
And the giad, wild ways
Of your school-girl days
Are things of the long ago;
But life and love will soon come by
There: little girl; don't cry!
