AND THE JUSTLY CELEBRATED

SCHUBERT PIANO.

Its Musical Qualities.

Materials Used.

The utmost cars is given to the selection of the best quality of materials for the Schubert Pianos. Special attention is called to the actions used in the Schubert. In the construction of a joint on onthing is of more importance and these are unsurpassed by any in the warket. In the cases, only hardwood is used and that of the best quality.

How Made.

Every practical improvement known to modern piano, construction has been introduced in the Schubert, and it will be the aim of the company in the future to constantly add to the character of its instruments by prairing in same 170 gressive policy, and thereby preduce a piano thoroughly constructed, attractive in sperarance, brilliant in tone, and reconsolate in price. Its manufacture is under the immediate supervision of the President of the company—himself a practical sugeriesced plano maker—and no detail of contraction or workmanship escapes.

Reasonable Price.

In the Schubert Piano more is given for the money asked, in construction, and finish, than any other piano in the market.
