PIANOS AND

SCHUBERT PIANO.

Materials Used,

The utmost care is given to the selection of the best quality of materials for the Schubert Piance. Special attention is called to the actions used in the Schubert in the construction of a piano nothing is of more importance and these are unsurpassed by any in the warket. In the cases, only hardwood is, used and that of the best quality.

How Made.

Every practical improvement known to modern piano construction has been introduced in the Schubert, and it will be the aim of the company in the future occustantly add to the character of its instruments by pursuing the same progressive policy, and thereby produce a piano thoroughly constructed, attractive in spearance, brillian is tone, and reasonable in pieze. It manufacture is under the improvement of the President of the company—himself a practical and interest and the company—himself a practical and interest and the company—himself as practical and the company himself as practical and the company him
