

Chili, Monroe county, New York, but when he was seven years old his par-cular removed to Zhoin county, Michi-gan, where he was oldcated in the public schools and later at Olivet col-lege. He has engaged largely in var-cious business pursults, and has taken great interest in improving and furth-ring the banking facilities of Michi-gan, where at the time of his appoint and the country of the con-lent of the First National bank of Jantotic. He is a strong republican recorder of deeds for Eaton county in 1860 and 1862, was a delegate from malching the third of t elf on account of his sound fina-riews. His twenty-five years as er is a guarantee for his safe a stration of our banking laws.

ira, N. Y., is to have a pol-n, among whose duties will girls whose arrest has been caused by their our foolishness, indiscretion or force of circumstance, rather than through intentional and voluntary roung-doing. When sentence on such a suspended they are taken to the matron's house and cared for until some other disposion of the unfortu-nate's case is made. A committee composed of women from all the ored resident of that place for rears. The city will provide a and it is hoped that a noble-rill be effected.

ouse, an a control will be effected.

A remarkable step has at last been ande in the right direction in India, agy the Pall Mail facatet. What has a see wend down. We were blowing on any the Pall Mail facatet. What has the wave understood by the atomorphism of the properties of the his race and his semi-independent po-sition, commands a large amount of respect in India, has convoled his no-bility by their representatives, and has appealed to them to abolish po-lygamy, or, at least, to allow it only when the first wife is childies. This step he has taken, it is said, sol'y on account of his appreciation of the misery which the native women endur-ments of the control of the control of the will be interesting to see what the representatives of the nobility have to at of his appreciation of the which the native women endures so of this ancient custom. It is literarching to see what the interesting to see what the interior of the nobility have to the proposal.

On the deck of a steamer sinking in the English channel a young girl stood composed and siad to her compan-lons. "Let us stand side by side and go down tegether." The spirit of high girl is the spirit that forms the hollow square in the last desperator supply smake the longist trader or mission-makes the ionelist trader or mission-makes the ionelist trader or mission-th that there of the sets look up to make the condition of the set of the sets look up to make the condition of the sets look up to make the condition of the set of the set of the makes the condition of the set of the set of the set of the makes and the set of the set of the set of the set of the makes and the set of the makes and the set of the makes and the set of the set of the set of the set of the makes and the set of th

What is sweeter than roses
That bloom in the beauty of June?
Or the stately and fragrant lilies
Whose belis ring a summer tune!
Ah, sweeter the roses blowing
On the checks of those we love,
And the lily of health that's glowing
The check's red rose above.

The check's red rose above.

But how soon the lily and the rose wither
in the faces of our American women. Why
is it! Simply because so many of them are
victims of weaknesses, irregularities and
