run a mower perchance since you never rode one of so light y to manage, and such a power-this No. 4 Steel Mower. Do I am talking about! I do. The

it is done. Its long pitman gives it a power-ful stroke and the guards are cleared with-out backing the machine! It is tested in the shop. It is built upon honor. It will save you grass. Your boy can handle and your horses (on easily draw the McCORMICK No. 4 MOWER. It is the best Mower for the money ever built, and don't you forget it!

Every farmer should compare the Mc-Cormick Harvester with all other makes that are offered for his inspection. It will repay his time. Let him examine all the little points, as well as all the big ones. Let him look at the canvas; observe the grain wheel; notice the gearing; run his eye along the cutter bar, and examine the main wheel. It is not a cheap machine. It was not made for one. It is the cheap things that are dear in the long run. It is the better construction that gives the McCormick its added life This better construction lessens draft. Let the tarmer remember his horses. If he does not forget his team he will buy the McCormick.
